Department of Senior Affairs

### Number of One-way Trips by Year

The graph depicts the amount of one-way trips that the Department of Senior Affairs provides to seniors. This measure demonstrates the need that seniors have for transportation in order to go to appointments with their doctors, pick up their prescriptions, go grocery shopping, etc. It is important to note that all of the Drivers within the Department are part-time employees. \*Service Units for this measure are established jointly by the Area Plan and the Department and change annually depending on participation, funding, and needs.
