Number of Volunteer Hours by Year

The graph depicts the amount of volunteer hours that are recorded by the three national volunteer programs that are housed within the Department of Senior Affairs: Retired Senior Volunteer Program (RSVP), Foster Grandparent Program, and Senior Companion Program. This measure demonstrates the in-kind contribution that our volunteers gift the City of Albuquerque. These hours represent the 55+ population who are registered with RSVP and does not include all volunteers with the Department. *Service Units for this measure are established jointly by the Corporation for National and Community Service and the Department and change annually depending on participation, funding, and needs.
