

PUBLIC NOTICE

**Air Quality Construction Permit For
New Mexico Terminal Services, LLC.**

New Mexico Terminal Services, LLC. has submitted an application for a new or modified air quality construction permit to the Air Quality Program (Program) of the City of Albuquerque Environmental Health Department. The application was received by the Program on February 23, 2018. The owner of the facility is New Mexico Terminal Services, LLC., 9615 Broadway Boulevard SE, Albuquerque, NM 87105. The facility, New Mexico Terminal Services, is located at 9615 Broadway Boulevard SE, Albuquerque, NM 87105. This application file has been assigned **Permit Application No. 3340**.

The applicant is requesting a new construction permit for a 400 tph hot mix asphalt (HMA) plant and a 133 tph aggregate railcar unloading terminal.

The proposed air pollution maximum allowable emissions from this facility have been estimated to be

POLLUTANT	Proposed Total Emissions	
	(lbs/hr)	(tpy)
Carbon Monoxide (CO)	53.4	54.1
Nitrogen Oxides (NOx)	22.4	23.7
Volatile Organic Compounds (VOC)	19.8	20.1
Sulfur Oxides (SO _x)	23.3	23.8
Total Suspended Particulate (TSP)	26.3	31.4
Particulate Matter <10 microns (PM-10)	13.5	15.5
Particulate Matter <2.5 microns (PM-2.5)	10.2	10.7
Hazardous Air Pollutants (HAP)	4.2	4.2

A copy of the permit application as well as the Program’s analysis, if completed, is available for inspection by the public at the Program offices. If a person wishes to receive notification of the availability of the Program’s analysis for their review and comment, they must express that interest in writing to the Program before the end of the public comment period on April 26, 2018. Interested persons may submit written comments and evidence, request a public information hearing, or both on the permit application to the Program. Comments will be accepted and considered if postmarked by the end of the public comment period. Formal action on the application will be reserved pending receipt and analysis of any additional details or information developed during the public comment period. The application and the public notice are available online at <http://www.cabq.gov/airquality/air-quality-permits>.

The Program shall hold a Public Information Hearing pursuant to 20.11.41.15 NMAC if the Director determines there is significant public interest and a significant air quality issue is involved.

The Program expects to issue, issue subject to conditions, or deny this application before June 21, 2018. The Program will not issue or issue subject to conditions any air quality permit without an air quality ambient impact dispersion modeling study, if deemed necessary by the Program, that shows that the facility would not cause or contribute to a potential violation of air quality standards. Any person who does not participate in the permitting action will not receive notification of the Program’s decision regarding the proposed permit, unless the person has delivered a written request for notice to the Program.

The Program’s offices are located at 1 Civic Plaza NW, Room 3047, Albuquerque, NM 87102. The Program’s mailing address is Albuquerque Environmental Health Department, Air Quality Program – Permitting Section, PO Box 1293, Albuquerque, NM 87103.
