

PLANNED DEVELOPMENT ZONE DISTRICT (PD)

Purpose: The purpose of the PD zone district is to accommodate small- and medium-scale innovative projects that cannot be accommodated through the use of other zone districts, provided that those projects are consistent with the Albuquerque/Bernalillo County Comprehensive Plan (ABC Comp Plan), as amended and include standards that would not otherwise be required of the applicant in order to provide significant public, civic, or natural resource benefits. This zone district is applied on a case-by-case basis to reflect a negotiated agreement for uses and standards with the applicant. Allowable uses are negotiated on a case-by-case basis but may not include any use that is not included in Table 4-2-1.

Allowable uses are as negotiated from among those listed in Section 14-16-4-2 and Table 4-2-1.

A PD zone district may contain any combination of uses listed in Table 4-2-1, except those that require NR-SU zoning, for all or part of the PD zone district, provided that those uses do not create significant adverse impacts on nearby existing neighborhoods, City parks or trails, or Major Public Open Space.

All allowable uses are subject to the Use-specific Standards listed for that use in Section 14-16-4-3 unless modified by the Site Plan – EPC associated with the PD zone district approval.

Table 4-2-1 shows the complete list of uses allowed in all zone districts and use definitions (Table 4-2-1 and Section 14-16-7-1, respectively). See IDO Subsection 14-16-2-6(A) Planned Development Zone District (PD) for more information about this zone.

The column on the far right, provides IDO section references for Use-specific Standards that may apply to a use. These Use-specific Standards may change the allowable uses depending on the context of the site or may impose requirements on the development.

If you are having trouble finding a use, contact the ABC-Z Project Team: abctoz@cabq.gov
