Walmart - have you considered a 24hr  
Supercenter at the Sams Club on Renaissance?  
We would love to have you there - we  
already access Costco for wholesale.

If Wal-Mart wants to gain our support they would have to enter a contract with the neighborhood on 3 points. 1.) Traffic control speed humps at least on Las Comitas but preferably also down Vista Del Norte  
2.) Traffic control roundabouts down Vista Del Norte (To discourage through traffic)  
3.) Full participation [until passed] in the process of petitioning the city for an ordinance restricting commercial traffic on Vista Del Norte and through V.D.N. community.

- Absolutely Opposed to this development.
- I don't want to increased traffic in my neighborhood. There is ALREADY A Lot of cut through traffic from Paseo Del Norte front road to Las Lunetas to Vista Del Norte to Osuna. During morning & evening TRAFFIC times to speed of the cars on LAS Lunetas is excessive.
- I AM VERY concerned about the increased crime statistic's that come to every new WALMART site.
- The City buying proposed park is a joke. The city has not completed original park in development in the 3 years in have lived here. TAKE !!

Proposal is not consistent with the Vista Del Norte Homeowners Assoc. Agreement. We were told this would be a Neighborhood Shopping Center. Wal-Mart is not a Neighborhood Shopping Center.

Also, the Vista Del Norte Assoc. Fines us for encroaches, i.e. Garbage Cans in Driveways, Dead Plants

How will Wal-Mart be lined for encroaches, waste bins, etc.

My concern is why WalMart is unwilling to compromise - A Neighborhood Market would exactly what we were promised. Several commercials on TV show a Walmart that cares for it's employees and for it's customers they are concerned with good customer service. Who do they think their customers are - the residents of this neighborhood. So why do they not consider they need to be concerned about our feelings toward a 'big box' in the corner - ~~the~~ we should be their main concern when deciding to build on this site - we don't want a Walmart, thank you

As a part of Ramiro Plange's deal, I feel will not be working as well as it might & money. In other words, why are we happy as well as the city allows this, why? We were told small development would be for this site, what happened to the promise?

It is not as if we had open land, we had to be near San Mateo. But even then, what it will be like with a 347 Walmart. Consider the best thing of the past.

The way the city now, no way will it be as good as the city was, and build where you wanted.

We don't want Walmart in this neighborhood. We want open space for recreation and and ballon landing space. We don't even have our parks complete in the neighborhood as it is – and Walmart would probably have their operation complete before completion of our parks.

Walmart is NOT welcome.

And we will make sure they don't come here!

\*Wal-mart will drown out small businesses in the valley!  
\* Simply put "We do not want Wal-Mart here" - irregardless of the size of the building, the traffic, noise, etc. Wal-mart is an unethical business. I will not shop at Wal-Mart period - no matter where it is located due to their unethical business practices. They do not treat other companies with fairness, nor do they treat their employees well. They have monopolized long enough and we do not want you in our neighborhood or near our homes, - you're not invited & you're not wanted - take your business elsewhere - where you're wanted! If you do have liquor sales at you bring those customers into our neighborhood - my home will be for sell ASAP!!

We moved here from Colorado, and found this perfect quiet place.

Nice neighbors, road. Great neighbors.

DO NOT NEED or want a Walmart

If - which I never do, have to go to Walmart I will drive to one

which are never far. Let Walmart Stores stay far away from

Quiet neighborhoods like Vista Del Norte.

No need or want -

crime - noise, dirty streets -

traff - etc.

There is a Sam's just close by why not turn that into a Walmart?

We moved into the neighborhood 6 months ago. The reasons for selecting the neighborhood were varied but included: a quiet, safe, 206<sup>th</sup> street. This is the neighborhood, & the way we wanted. We were told at the time that a neighborhood type market would be built on the 22-acre lot. Not a Walmart Superstore. We would not have purchased a house if we were told that a Walmart was going in. We are completely against the Walmart proposal. It is obvious that others were given the same information. There are a number of outstanding issues that Walmart has not resolved, including the size of development & impacts to the neighborhood. The city Planning Commission has not enough information to not approve. The proposal as design & force Walmart at a minimum to significantly reduce the scale & impacts as stated in the Neighborhood Association's correspondence.

My family and I strongly oppose the development of the proposed Walmart. In summary, my concerns are

① Increase in traffic in an already congested area.

② Increase in crime due to increased traffic through neighborhood

③ Safety issues related to increased traffic and the parks existing in the neighborhood.

Put yourself in our shoes, would you want a SuperWalmart at the entrance to your beautiful, new neighborhood? I didn't think so. Please do not approve this development.

When my husband and I were searching for a home to purchase almost 5 years ago, we were looking for a place that would be safe, clean, and friendly so we could raise a family. We were told there would be a small scale neighborhood store that would be in the empty lot. Almost 5 years later, we are now fighting to keep that promise. I feel Wal-Mart thinks it can bully people around and build where it wants to. This is a very sad situation.

I have lived in Vista del Norte 4 years. When we were building our home we were given a sales brochure showing the lay out of Vista del Norte. It stated that the 22 acre lot @ VDN and Osuna was going to be a neighborhood shopping center. If it had stated a Wal Mart <sup>sc.</sup> or any big box store was going to be built on the lot we would have run the other direction to a different subdivision. We live in the highest pollution area of Albuquerque. Even though we are surrounded by commercial it is a peaceful area. Please help <sup>us</sup> preserve this!! We want what we were promised!

First, the proposed 22 acre site is totally inappropriate for ANY Big-Box development. Second, the traffic situation is congested now; if Walmart or a Big-Box came in the traffic situation would be horrible. There is no way to mitigate the harm to our neighborhood (traffic, crime, pollution, trash, lighting, noise).

WE (ALBUQUERQUE) ALREADY HAVE MORE THAN ENOUGH STORES FOR A CITY OUR SIZE. ABC IS WAL-MART HEAVY.

OUR STREETS CANNOT SUPPORT MORE TRAFFIC - THEY ARE NOT MAJOR STREETS.

DO NOT WANT TO SEE LOCAL BUSINESSES FORCED TO CLOSE THEIR DOOR WHICH USUALLY OCCURS BECAUSE OF DISCOUNT PRICING, ETC.

IN SHORT, WAL-MART IN, I'M OUT!

We are completely against Walmart coming in because of all the reasons that have been given, but especially because of the increase in traffic turning this area into a true urban area instead of residential as we were promised. Also, I am concerned about the increase in crime that will come.

The proposed site plan will place an undue burden on the residents of Vista del Norte. One reason for this is the increased traffic pressure at the intersection of Vista del Norte and Osuna. Given that this intersection is the primary entrance (and one of only two), the increased traffic will have a dramatic negative impact.

Currently the VDN neighborhood is a clean, safe, and attractive area in which families have chosen to live and grow their families. The addition of a 24/7 Super WalMart will very likely remove the clean, safe and attractive from the description of the neighborhood and add trash, crime, and an extreme amount of traffic. A WalMart Market Place would still not be ideal, but an acceptable compromise. NO SUPER WALMARTS!

- Why is the market structure of services in a market place generally static?
- What is the definition of "public good"?

Access to a Super Wal-Mart from a street like Vista Del Norte drive is inappropriate. I don't believe there is a Super Wal-Mart with similar access in New Mexico.

The traffic will be too much for Vista Del Norte drive.

By allowing Wal-Mart (any Big Box) to locate here the City is showing it's citizens that they are not as important as some big out of state company that pays minimal taxes. Appropriate traffic planning is necessary to relieve long commutes for ABQ citizens and placing a Big Box with a main entrance on a residential road proves a lack of commitment to citizen's needs! Residential/Neighborhood building is the only answer.

This is an upscale, residential community with extremely limited entrance and exit ways (Vista Del Norte Rd to the South and Las Lomas to the North). These two egress paths are already traffic heavy and dangerous and the North exit is being commercially developed!

Vista Del Norte is a residential entrance/exit from an island community. This road cannot sustain commercial traffic. Residents of Vista Del Norte and Rancho Mirage will be trapped between two trashy, pollution producing, heavy traffic developments.

Please do not let Wal-Mart build here!

I purchased my home in the Vista Del Norte Community December 2005. I chose this community because I wanted to know my neighbors and enjoy a peaceful, tranquil environment. I walk every evening knowing I will be safe and also enjoy stopping and visiting with others who are walking. I enjoy the balcon every October and community environment every holiday.

I am concerned about the current flow of traffic in and out of my community and now dread the eminent danger of even more traffic if a Wal-Mart SuperCenter is constructed. I don't want to have to compete with hordes of traffic each evening on my walks or trying to get in and out of my community to and from work. This community is safe for children at this point in time, however w/ the presence of a WM SuperCenter I fear that will no longer be the norm. I am very concerned about the impact a WM SuperCenter will have on VDN and oppose a WM SuperCenter very strongly.

I am extremely concerned about the traffic impact. Many people going to Walmart will attempt to leave through the neighborhood. If only 10% of the expected shoppers travel North on Vista Del Norte that will add 1200 to 150 vehicles per day to the traffic through the neighborhood. People taking a short cut through the neighborhood generally drive faster than residents. On top of the general traffic burden I am concerned about the safety of our children and pets.

Without inquiring, I was specifically ~~presented~~ told by a Sivage Thomas Homes<sup>®</sup> realtor that this area would contain a grocery store and a variety of other businesses,

I deeply **feel** that if the developer is going present such a sales pitch to influence a potential home buyer, they should be held accountable to fulfill that obligation.

My family does not want Wal Mart in this neighborhood. Traffic, crime, noise, pollution are some many of the factors for no Wal Mart. Move the Walmart to the Sam's Club site on Renaissance, which is always empty.

My family picked this neighborhood because of the pedestrian and bicycle paths and slower moving pace. plus the balloons ~~are~~ fly <sup>over</sup> my house.  
No Walmart!

I am concerned that Osuna is only a 2-lane each way street & the intersecting street, Vista del Norte, is a 1-lane each way. I find it hard to believe only 43 cars will pass through the neighborhood.

The new layout, despite lowering Wal-Mart's sq ft., adds stores, which will actually increase traffic (same number will visit Wal-Mart).

The next nearest Main thoroughfares, Edith & Jefferson, are over a mile away & the only approaches are the 2-lane Osuna & the 1-lane Vista del Norte.

How will the speed limit be allowed when a church is located so close to location.

I live behind the apartment wall - when purchased I knew the property behind the condos was commercial - for a grocery store or small office and to be built on the east end of the lot. Please don't allow a 24/7 Walmart. We as a neighborhood would like a business with as little impact of our lifestyle as possible. Without the high volume Walmart would bring.

I never would have purchased my house had I know - or even thought - a Wal-Mart would have been built in the neighborhood! I've quit traveling Osuna now because of the traffic and ~~the~~ take Mont to Edith. When the city was fixing a hole on Osuna, at 7:00 AM Vista del Norte was backed up so far, I sat at the light 3 TIMES to get through. My sister couldn't get out of the ~~the~~ subdivision to take her kids to school because everyone was try<sup>ng</sup> alternate ways through Las Conchas to El Pueblo to Jefferson.

I'll sell and leave if they move in. The quality of life around here won't be worth the problems! STOP THEM

We bought property on Sidewinder Dr. and then in Rancho Mirage condominiums. We believed the developers promise that commercial development on the 22 acre site would be in line with Policy D. We drive 10 minutes to Wal-Mart on Carlisle, 15 to Wal-Mart on Academy and 15 to the Westside super centre.

We all shop at WalMart and we don't mind driving to one.

Why divide your profits Wal-Mart? You'll just be sharing in the profits of the other stores. NO WAY HERE!!

Subject: Profits First, America's Security Second

Dear Chad,

One of the greatest dangers we face in America is a nuclear weapon in the hands of terrorists being shipped through an American port. But, did you know, we only inspect about 5% of the cargo containers coming into America.

That is why the U.S. House of Representatives passed a 9/11 bill to strengthen America's port security by scanning 100% of the cargo containers being shipped into the U.S. from abroad.

But, yesterday, Wal-Mart's special interest lobbyists defeated the 100% scanning portion of the 9/11 bill in the U.S. Senate.

Why?

Because, even though 1 Wal-Mart container arrives at a U.S. port every 45 seconds, Wal-Mart fears that inspecting 100% of these containers might slow down its imports from countries like China which could hurt Wal-Mart's profits.

Are Wal-Mart's profits really worth the cost of leaving America vulnerable to another terrorist attack?

Please write your U.S. Senator today and tell him/her to put America's security first and support 100% scanning of all cargo containers as passed by the U.S. House.

If you really want to grasp how dangerous Wal-Mart's opposition to 100% scanning is for our country, think about it this way..

Would you get on an airplane where the airport security officials only screened 5% of the passengers?

Of course not, so why shouldn't we scan 100% of the cargo containers bound for the United States? There is only one reason - because big corporations like Wal-Mart will do anything, even lobby against protecting America, to protect their profits.

We must stop Wal-Mart now and make sure the U.S. Senate puts America's security first.

From shipping good-paying American jobs overseas to opposing expanding health care for working families, Wal-Mart has a long record of lobbying against the best interests of America.

But, this time, Wal-Mart has totally crossed the line

With 324,000 Americans in all 50 states, we have the power to change this company and this country for the better, but it is up to us to act. Please send this email to all of your friends, family members, co-workers, and neighbors and ask them to join you in our fight for a better America.

Thank you for all that you do,

In my opinion, Walmart is being disrespectful in building a 24 hr store inside the entrance to the neighborhood. Can't they build away from us like Home's, Target and other stores? A Sam's Club is only 5 minutes away. Why do we need a 24 hr store when others are so close?

The following are issues -

1. 24 hr opening - We do not need traffic in our neighborhood after hrs.
2. Traffic - we don't want Walmart traffic in our neighborhood
3. Store is close to a school bus stop - We do not need the possibility of Walmart customers who may be predators that close to children
4. Property values will go down - No one is going to want to fight Walmart traffic to get to their home -
5. Liquor Sales - Should not occur in our neighborhood
6. Security - Customers shopping at Walmart after 10pm have access to ~~our~~ homes roads going back to our homes -

We do not want them here  
They are violating our homes - ~~store~~ because they want to make money

7. If Walmart succeeds - They should pay for manned security gates at both entrances to Vista Del Norte

Walmart is a bad money tree. They don't care about invading our homes.  
Not should be purchased by the City for balloon handlings.

OSUNA CANNOT HANDLE ANY MORE  
TRAFFIC - RECENTLY I 25 TRAFFIC  
WAS DIVERTED TO 4TH. THAT  
CAUSED MAJOR GRIDLOCK.

NO WALMART OF ANY SIZE!

I strongly object to the project!

1. Traffic concerns

A. Osuna narrowed to one lane road west @ Edith,

B. Rancho Mirage would be very severely impacted. There are 17 buildings bordering the south fence (would be demolished, but) 68 lots. These would turn into 100 lots & turn into rental - these people are losing their equity & they demand the entire compensation.

2. Wal-Mart should pay for 24 hour manned guard stations for resident traffic only on North Las Lomas E, Southern Vista Del Norte.
3. Wal Mart, not city, should pay to widen Osuna from I-25 to 4<sup>th</sup> Street. Traffic is already busy on Osuna without Wal Mart

My primary reason for NOT having WALMART BUILD IN THIS AREA IS THE TRAFFIC & ENVIRONMENTAL EFFECT ON OUR COMMUNITY. THE FACT THAT CRIME, VAGRANCY, POLLUTION & OTHER FACTORS THAT ARE KNOWN IN AREAS THAT BIG BOX STORES ARE LOCATED, ARE INCREASED.

WE WERE PROMISED A "NEIGHBORHOOD" STORE BUSINESS WHEN WE PURCHASED OUR HOME - NOT "BIG BOX" PROBLEMS!!

I urge the city not to allow such a dichotomy of land use to exist in this location. A 20/7/365 super size retail center would irrevocably change the personality of this community forever. A massive retail center located in an established residential area just does not belong! The EPC and city council should support land use of correct proportions in blocking construction at this time.

Our neighborhood is well maintained, safe, and friendly. We know our neighbors all around us by first name. It is a wonderful place for our young family. ~~The proposed development~~ The proposed development will have a very negative impact on our neighborhood and quality of life. The scale, traffic, hours, and type of retail certainly will not have any positive impacts – we already have a Sam's Club, Costco, Target, Home Depot, Lowe's, etc. within minutes – we don't want or need a Super Wal-Mart. All other Super Wal-Marts are located on much bigger, more appropriate streets and they are still nothing I would want to live next to.

~~I do not~~ ~~believe~~

I do not believe that a Wal Mart should be built at the proposed location. I feel that it would bring heavy traffic to the area. Traffic is already heavy. I also believe that it would have an effect on our Ballon Fiesta. Albuquerque has grown a lot in the last 15 years and ~~means~~ there are no longer a lot of areas were the Ballons to land. If the Wal mart is built it would ~~take~~ take away a popular landing spot.

Also, ~~I do not~~ I am not a big fan of wal mart ~~in the~~ in general. I do not feel that their customer service is very, very Poor!!

I am absolutely opposed to the over development.

Main reasons:

- Will destroy pedestrian traffic
- Unsafe to walk dogs
- Crime

\* - Walmart demands all deliveries/ vendors before 7am. This will cause truck noise to begin before 3am. This is not acceptable so close to neighborhood.

- \* - Ballroom
- Liquor

WE ARE STRONGLY OPPOSED TO THE LARGE SCALE DEVELOPMENT PROPOSED BY WALMART. IT IS TOTALLY CONTRARY TO THE VISION FOR THIS AREA WE WERE PROMISED BY THE VAN DEVELOPERS.

WALMART SHOULD CONSIDER THE PROPERTY AT I-28 & PASSE DEL NORTE INSTEAD. IT WOULD HAVE MUCH BETTER ACCESS & IS NEAR OR ON MAJOR MAINTENANCE ROADS.

OR THEY SHOULD CONVERT THE NEARBY SAM'S CLUB (WHICH IS USUALLY ALMOST EMPTY) INTO A WALMART SUPERCENTRE - IT WOULD THEN COMPLEMENT COSTCO RATHER THAN COMPETING WITH IT!

We have two concerns:

1. It seems to us that there has been a breach of a promise by the developer. We understand that homes were sold with the understanding that there would be a community retail center on the site up for discussion. The promotion was: "your home, your family, your community." A big box Walmart is not a community retail development. The scale is way greater than needed and does not necessarily meet the community's needs.
2. A big box Walmart is a destination retail development. It will draw from the wider Albuquerque area, and perhaps even the greater NM area as a destination store. The infrastructure of the neighborhood street—Vista del Norte, as well as Osuna on the south and especially Paseo del Norte (at Jefferson) on the north cannot handle the large amount of traffic that will occur. Folks who live in the Vista del Norte community will be tremendously impacted by a destination retail development. In addition to the impact of the traffic and the ensuing congestion, the quiet enjoyment of our homes will cease to exist with such a large scale, 24/7 operation.
3. We ask that all who are involved and concerned, discuss and develop a retail shopping center that honors the community that lives here, as promised.

Osuna is not big enough to handle all the traffic. Much less Vista del Norte or Las Cometas.

Please protect me and my children. I DO NOT WANT A WALMART IN OUR NEIGHBORHOOD!

-DON'T kill the bunnies in the field!

Thank you

① I do not want any Walmart here at <sup>Vista</sup> Vista Del Norte

② There will be too much traffic - just look at Rush hours.

③ Walmart historically brings crime where ever it goes - this is a quiet good neighborhood lets keep it that way

④ I find it offensive that Walmart put sign up sheets in other Walmarts - their opinions are irrelevant to my neighborhood that is obvious to get their opinions - they are not relevant to this issue!

Get OUT - we don't want you!

There are enough walmarks in town  
Walmark needs to stay in a commercial area.  
As a community wanting to have walmark  
we should be listened to

We feel Walmart needs to find another location due to MANY circumstances, mainly because our balloonists need use this location to land. The Balloon festival brings in MILLIONS of dollars every year to Albuquerque and that event is much more important than yet ANOTHER WalMart in our city. WalMart can find another location.

Other Disadvantages

- annual rate increases to our homes
- traffic will dramatically increase
- homes depreciate

Proposed Wal-Mart too big. PLEASE consider maintaining as open space / park space. Alternatively, smaller neighborhood market would be acceptable. Concerned about traffic, crime, unsafe living conditions and preserving landing space for balloons. In short, current proposal is UNACCEPTABLE!

Members of the City Council and fellow citizens,

March 27, 2007

I am Michael Holroyd and I live at 6800 Vista del Norte NE #2514 in the Rancho Mirage Condominiums.

A number of years ago , when the developers first went to the City Planners to get permits to build the Vista del Norte neighborhood with an area set aside for retail shops, a regional Super Wal Mart was not in the plan. When the developers promoted the Vista del Norte neighborhood to future buyers the brochures presented a neighborhood lifestyle retail center, not a regional Super Wal-Mart open 24 hours a day.

Wal-Mart has set up displays at their stores gathering signatures, supporting the new Super Wal-Mart. The artist's drawing shows a parking lot with a few people and a few cars when it is more likely that there will be hundreds of people and cars at any given time on any given day. The display at the Wyoming and Academy Wal-Mart has a hand written sign asking folks to sign up for the new I-25 and Osuna Wal-Mart..... Imagine that!. How many of those signatures are from people living in this neighborhood?

I am opposed to the development of a regional Super Wal-Mart that will be open 24 hours a day at the intersection of Osuna and Vista del Norte. I do not think that a regional Super Wal-Mart open 24 hours a day will add to the neighborhood lifestyle originally promoted by the developers to the future residents of the neighborhood.

I am opposed to this development because it will increase the traffic on Vista del Norte Road. It will increase the traffic on Osuna Road. It will increase the traffic cutting through the Vista del Norte neighborhood from El Pueblo on the north side of the neighborhood..

I am opposed to this development because it will be open 24 hours every a day .The light pollution, noise from the unloading of trucks and the endless litter are factors that the residents of the neighborhood should not be expected to cope with.

I am opposed to the development of a regional Super Wal-Mart at this location because I think it will de-value my property. If someone want's to sell their property, it will be a tough sell because people are not going to line up to buy a neighborhood condo with a balcony view of a regional Super Wal-Mart open 24 hours a day.

I am opposed to the development of a regional Super Wal-Mart at this location because this open space is one of the few remaining large areas for balloons to land and when the open space is gone, it will be gone; where will the balloons go?

And finally, I am opposed because I do not think a regional Super Wal-Mart, open 24 hours a day, sharing an intersection with a neighborhood church is in the best interest of the Vista del Norte Neighborhood.

Thank You,  
Michael Holroyd

Since we live in a democratic society and since Wal-Mart is the last party to enter our neighborhood. Most of us do not create negative impact on our community like a Wal-Mart does + will. Since we were told before we purchased our home here was the open area would have some smaller stores + services along with a grocery store. The residents surrounding this area should vote approving Wal-Mart to built on this site. Let majority rule rather than Wal-Mart buying there way into our community. All of us are aware of the crime + traffic problems created by Wal-Mart including reduced <sup>home</sup> values due to Wal-Mart. The big box store does not belong in this community. Wal-Mart should get more into a neighborhood that does not want them here. My government should support my wants and my neighbor wants. Tell Wal-Mart to put the store where it belongs not here.

I am a homeowner in Vista Del Norte. We love our neighborhood because it is peaceful, quiet & relatively crime free – and **IT'S CLEAR**. If you allow WalMart in all of that will change. I will NOT feel safe to walk my neighborhood any longer.

My house will decrease in value, & the entire neighborhood will decrease in quality – please don't let this happen. The convenience is NOT WORTH the pain, crime, trash, noise, traffic & destruction of property.

a 24 hr store is UNACCEPTABLE

① Landscaping of Walmart facility to match surrounding architecture and landscape – MAKE IT LOOK like part of our community –

② If Walmart discontinues business operations what, if any requirements are placed on Walmart return property to community – ie No vacant buildings in neighborhood!!

③ Keep traffic entrances on Osuna.  
Will the city place new traffic lights at the "main entrance" off Osuna and for the truck entrance?

④ Landscape proposed Park area during waiting period for purchase.

In a nutshell, if the city ~~does not~~ want Wal-Mart here, why are they trying so hard to move it? There were so many excellent points raised during the 3/27/06 meeting. We don't want Wal-Mart here because of - increased traffic, increased garbage, noise, traffic up to 25,000 cars per day, decreased <sup>value of our homes</sup> Balloun ~~recreational~~ site + negative impact on Balloun ~~recreational~~ site, decreased safety for children, walkers, bikers. What we do need is + were promised when we moved in - neighborhood shopping, areas for recreational activities + Balloun ~~recreational~~ site. Please help us keep Wal-Mart or any other big box stores out of here!

The City of Albuquerque is known for its hot air balloons and has been for more than 25 years. Not only does it provide wonderful recreation, but mass revenue for our city. If Wal-Mart moves in, it will be one HUGE place that balloons will not be able to land. The Mayor and the city should buy and preserve this land for the balloons AND for the citizens. When not being used for Balloon Fiesta, the site can be used as a recreation area for children, adults and pets. We DO NOT need or want Wal-Mart!

Buying a condo in Rancho Mirage was considered a good investment. The information in the sales office was appealing - to live in a quaint planned neighborhood in the North Valley. I bought my unit before it was even built! I NEVER would have ~~id~~ invested my hard-earned money to buy a home by a Walmart - I NEVER shop at Walmart and do NOT plan to change! A Walmart will ~~DESTROY~~ DESTROY our "quaint neighborhood!" Traffic, pollution, noise, and especially crime will IMplode and property values will plummet! The corner of Vista Del Norte and Osuna is a ludicrous location for a Walmart "supercenter" - there is ABSOLUTELY NOTHING "super" about Walmart at all! The LAST thing Vista Del Norte needs is the TRASH walmart attracts - especially being open 24/7 - how pathetic if a Walmart Supercenter is allowed to be built! And I did not even mention the balloons!!!

We are strongly opposed to the proposed Wal-Mart location on the intersection of Osuna Road + Vista Del Norte. Further we would like to see this be used as a site for the highway from the Kallan Fiesta to land. As we are very concerned with the excessive additional traffic that would flow through the neighborhood and the impact of the Wal-Mart.

I feel that there is a great opportunity to use this site as a park. It would be fantastic to Vista Del Norte and the Albuquerque area. This area is a great recreational area.

Our neighborhood is not in a good area for the increase of traffic. It is a concern that this would bring in a lot of traffic. Also, several of the cars that are in the area are old and need to be replaced.

Please consider having this area  
zoned as a land use area  
for the water use.

We live in the neighborhood of  
an Industrial development in  
~~the~~ area

Water use is not allowed at this site.

I do not think that Vista del Norte is a proper location for a Super WalMart, 24 hour service, traffic, congestion is not something this location can tolerate. A higher traffic area like Paseo del Norte or Coors is a much better location, although I'd question if another Super Wal-Mart is really necessary in our community. Our 2 lane Vista del Norte + El Pueblo are NOT equipped to deal w/ the traffic + environmental impact. Also, the churches in this neighborhood will make it impossible to leave your home on Sunday. We like our neighborhood. It's quiet + a wonderful place to raise a family. Super WalMart will change that. Please consider a better location for your store - not our neighborhood.

As it is not a direct road into our neighborhood by the majority of the residents the purpose of many clearly shown through.

The site is an area of landing space. We are a neighborhood and do not need this.

As a real estate agent the reasons for putting a WAL-MART are only beneficial to WAL-MART. It is highly unreasonable to place a WALMART in such a highly congested area. Since there are only two entrances to VISTA DEL NORTE residences having entrances to WALMART on VISTA DEL NORTE is ridiculous. Also, I do NOT think that it has been taken into consideration the amount of traffic on SWAYNE for Calvary Church's. Also traffic balloon Fiesta that is on Osuna. I think this is just one minor issue which just adds to many other problems. I just feel there are too many to mention.

City Councillors & Planners. Please explain why this proposal is being considered. Please explain how a Super Wal-Mart (or any other big box) would benefit the citizens, local businesses, home owners, residents, and tenants residing in this part of the city. Please explain why, if allowed, the city planners would alter what was already planned for this lot. As a taxpaying citizen who votes I do not support this proposal.

RE: TRAFFIC

A police officer block traffic heading east on Osuna every school morning. Sunday mornings traffic is blocked by traffic coming out of the Canyon. All of this occurs now before the introduction of a Super Walmart.

I am a resident of the area having a 20+ year history in the area. It is not just our housing but the overall environment in the business district. The noise in the development from the highway is a major concern, to the point where it is a major concern for the community and it is a major concern that there are a lot of people who are not happy.

With the high percentage of DUI in NM a liquor license is very undesirable. From other Supercenters, have seen many vehicles going through red lights because there are so many vehicles entering and exiting Walmart.

Why should the community purchase the 3.8 acres – why not donate it? Is there a guarantee that there will not be exemption requests to initial design? Where will the balloons land – the Balloon Fiesta has a great financial impact on the city.

I am concerned about the traffic problem we are going to have <sup>and through</sup> in this area. This is a housing division not a commercial corner. We are not getting what we were promised when we bought our home here. Where is concern for community, safety, and peace? And I don't feel good by having liquor sales and 24-7 hours. I am more in favor of recreational space and small shopping area (grocery)

Stephani,

Below are my comments wrt yesterday's meeting (project #1001150 - Walmart @ Osuna)

My name is Jerry Smolinski  
6735 Calle Santiago  
Alb, 87113  
Vista Del Norte

Please email to me the report at this email address (jerry303@comcast.net) once it is completed.

We purchased a home in Vista Del Norte based on it being a part of a community with certain attributes/values. These values were advertised in various brochures and documents used for marketing to sell homes. Now that the homes are all sold these values are inconvenient, but they MUST be honored. These values include a neighborhood store that promotes a local feel. Now somebody wants to renege on their promises simply b/c it makes more money for them.

This is not a case of people moving in next to an airport, for example, and then complaining about the airport noise. It is about trying to make people live up to their agreements/promises.

Thank you.

I don't live in this local neighborhood. However, I grew up in this area and it holds a lot of memories for me. I listened to everything that was said at the meeting about all the promises that were made by Walmart: Improving the streets, upgrading the trails, slowing traffic and I don't believe them. Bob Dylan once said "Some times Satan comes as a man of peace". It's funny that that song came to my mind during the meeting.

We don't need a big box that'll negatively impact our neighborhood such as decline in house value, increased traffic & crime, and quality of life.

We don't need another Super Wal Mart. We have Costco & Sam's Club just minutes away.

I am concerned that the size of the proposed development is not suited to the residential nature of this subdivision. A smaller neighborhood-friendly grocery store, dry cleaners, coffee shop, haircut/barber shop are the types of development more suitable.

Traffic is a huge concern. Motorists speed along Vista Del Norte Drive and adding 10,000+ additional motorists to a street with a park 1/8 of a mile away is a recipe for disaster and tragedies.

No liquor sales!

To do not support this "Big Box" plan that Walmart is proposing since it does not adequately support the "small" needs of a quiet neighborhood community. The Big Box proposal will bring "regional" shopping thus disturbing our neighborhood community with excessive traffic, crime, trash, and noise. Walmart already has a Sam's Club a mile and a half from this proposed building site in Vista del Norte so a supercenter is not practical or needed!!

---

In or around the year 1999, I was involved with some negotiations and public comment regarding a 50-home private development located in and around the 1900 block of Indian School Rd. NW. I, along with my 5 other neighbors, own residences (both now and then) accessed by an MRGCD ditch road spur running south off of Indian School Rd. NW. Tierra West, LLC, was the agent acting on behalf of the developer for this project as well. I am interested in going on record to complain that, in the course of the above-referenced 50-home "Symphony" subdivision project several years ago, the only access (dirt road/ditch road access) to my residence and that of my neighbors was re-routed significantly and, more importantly, not constructed properly, causing us serious difficulty at times in accessing our homes and properties. As a result, the ditch road access to our homes has needed several thousand dollars' worth of bottom-up repair (paid out of our own pockets) in recent years because the new ditch road conceived and constructed by the Tierra West project was not leveled/graded/drained properly. Erosion and subsidence along the road (approximately 400 feet of ditch road) leading to our homes has deteriorated significantly from almost the day that its construction was completed. Furthermore, the re-routed elevated ditch (and our ditch road alongside) paralleling Indian School Rd. for several hundred feet is an eyesore and

has not been landscaped properly, which has led to further erosion problems whereby the dirt from the ditchbank is spilling unimpeded out onto sidewalk – and subsequently, the paved portion of Indian School Rd. – each time it rains. I have retained correspondence in my files that I sent to Tierra West during the construction of the new ditch road that called their attention to visible low spots and poor drainage areas that were apparent to me after the road re-construction had been “completed” (by whose standards I’m still not sure). My complaints at that time were ignored. I want to share these historical problems with this other Tierra West development in the North Valley in hopes that it prevents another set of homeowners from being harmed by improperly managed and executed development in our area.

Thank you for your consideration in this matter.

**Subject:** Vista Del Norte Walmart

Ms. Winklepleck,

I am currently a resident of the Vista Del Norte Subdivision. I am dismayed at the possibility of a Walmart supercenter being built at the corner of Osuna and Vista Del Norte. My Family has lived in this subdivision for almost five years, and during that time we were promised that a " neighborhood" store would be built. Nothing like the behemoth being proposed, was ever discussed. As a neighborhood program coordinator, I believe that your focus is on building, and ensuring that strong community based neighborhoods are developed throughout Albuquerque. The Walmart Supercenter will not allow this happen, for several reasons.

1. Walmart, regardless of where it is built, brings a criminal element with it.
2. Walmart drives property values down.
3. Walmart will cause gridlock and an enormous surge in traffic flow through a once quiet neighborhood.
4. Walmart continues to force their way into Albuquerque neighborhoods, despite the feelings of the citizens. How many Walmart's do we need.
5. This area of Albuquerque has always been known for it's "mom and pop" locally owned stores. This fosters community. The Walmart Supercenter would effectively kill these stores.
6. The Balloon landing area would be diminished. Every year tourist and families come to watch the Balloons land in this area. Without a secure space to land, balloonist may be forced to land in more remote areas and also diminish the "draw" of our neighborhood.
7. Many families are already talking of moving. We must ask ourselves what type of economic impact this might have on the area if multiple families move and sell at a reduced rate.
8. Many retirees have bought their "final" home here. They have served their country and saved for that special place. Now, we are deserting them by not helping to preserve a nice area for them.

Finally, I implore you please save this community. Do not allow Walmart to build here and destroy what we have fought so hard to preserve. I appreciate your time and consideration. I look forward to hearing from you.

Sincerely,

The "Watson Family"

With the new (amendment) <sup>with all</sup> ~~concessions~~ <sup>concessions</sup> ~~made~~ <sup>made</sup> on this issue, how will you be held responsible for these changes once ~~they~~ <sup>they</sup> have ~~their~~ <sup>their</sup> approval? Won't they do "as they please" as in the past? Can they be forced to sign a legal document that these changes would have to stay,

- The project is a detriment to the neighborhood. Vista Del Norte Neighborhood continues to NOT want the project for a variety of reasons, including:
- Poor signage for purchase of land
  - Excessive parking/overcrowding
  - Light pollution
  - Poorly designed landscape with excessive water
  - Excessive noise
  - Poor location of the project
  - Increased traffic volume on the street
  - Poorly designed signage that is larger than original signs
  - Homeless people on the roads
  - Need more signage to direct traffic, please don't turn the project into a parking lot. Big box supercenters

We had been told when we bought our condo that a grocery store, such as Albertsons or Smith's on the property facing Osuna. We had not have bought it if a Walmart would be built.

We (my wife & I) feel the traffic is horrific between 4pm to 7pm. This of course would worsen all day.

Crime will rise in our area as it has in other areas where Walmart stores are located.

House & Condo values will decrease.

I am against the Super Walmart construction for the following reasons:

- I was promised by Ron Brown that my proposal to have a complementary/integrative Medicine Clinic was exactly what they were looking for as part of the planned neighborhood shopping center. I will never be able to afford a place now!
- My home is right behind the Vista Monte Park. With liquor sales just down the street it makes an ideal site right behind my home for drinking etc.

Not only is this not what we were told/ promised when we bought our home in Vista del Norte, this is exactly what we were trying to leave behind. With Wal-Mart comes traffic, semi-trucks and most of all people in and out of our neighborhood who don't need to be here. I am sure that the crime rate will rise, the peace and quiet will go away and this will no longer be a neighborhood where my kids can ride their bikes and play in the park on their own.

It's a shame that the city has a plan for zoning and for the planned growth of our city - but money and power of Wal-Mart makes them forget all of that.

This proposed project is the wrong scale for this site. Regional shopping should be located near 2 major highways.

My first preference is to use this site for open space - a park that will also be used for balloon landings.

A. Walmart is not wanted here!

- Decrease in Property Value
- Increase in Traffic
- Increase in crime
- Negative Impact on the Balloon Festival
- Loss City Revenue from Tourism
- Loss of recreation, no jogging, walking

These are few of many reasons why a Walmart will never be of benefit to the neighborhood!

If it passes the elected officials are the one responsible!

I oppose a Walmart at Vista Del Norte

This Wal-Mart will have a negative effect on the community by bringing more crime varying from burglary, to drugs, and alcohol related crimes. There is no need for another Wal-Mart to be built, I don't care if I have to drive to Montgomery + Academy or Carlisle and Menaul to get to one. This Wal-Mart will cause more problems for the community where ~~it~~ families already have to watch for speeding vehicles and this community will lose its beauty and family qualities that it currently has.

# PETITION

We, the undersigned Balloon Pilots, Chase Crew, and Balloon Enthusiasts wish to express our opposition to the proposed development on the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 006EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** This location is a prime balloon landing area. We are requesting that a portion of this site be set aside and considered for a balloon landing zone. We are concerned that if the City continues to in-fill without allowing for adequate landing areas this could eventually have a *negative impact* on the Balloon Fiesta. We request that the EPC, the Albuquerque City Council and the Mayor consider this when reviewing the proposed site plan.

## PETITION

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC. The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

Vista Del Norte  
Calle  
Santiago

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

## PETITION

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

# PETITION

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

# PETITION

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

# PETITION

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

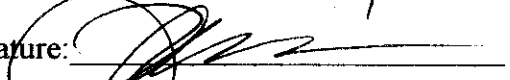

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

# PETITION

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

## PETITION

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

# PETITION

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

# PETITION

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.

## PETITION

We, the undersigned homeowners of the Vista Del Norte Development and Members of the following: Vista Del Norte Alliance Neighborhood Association, Alameda North Valley Association, Northeast Valley Neighborhood Association, North Valley Coalition and residents of the region, wish to express our overwhelming opposition to the request for the proposed Big Box development on the property at the Northeast Corner of Vista Del Norte and Osuna Road, **EPC Case: 06EPC-00624 and 00625; 1001150; Agent; Tierra West, LLC @ 858-3100; Applicant: Vista Del Norte Development, LLC.** The implications of the size and intensity of the proposed development on the approximately 22 acre site will definitely ensure a long term negative economic and social impact for Vista Del Norte and the entire North Valley region of Albuquerque. The proposal is in direct conflict of the North Valley Area Plan adopted April of 1993 and The Albuquerque/Bernalillo Comprehensive Plan.

The undersigned request denial of EPC Case: 06EPC-00624 and 00625 and any supplemental action requesting variance with the existing restriction of liquor sales.
