On December 12, 2018, the Development Review Board (DRB) held a public meeting concerning the above referenced application and approved the requests with delegation to Planning and Transportation to address the remaining minor issues as stated in the comments and as discussed at the hearing based on the following Findings:

1. This replat is to adjust the lot line between the two existing tracts (lot 8 .4993 acres and lot 9, .5042 acres) and create two new tracts (8A, .1318 acres and 9A, .8711 acres).
2. This replat meets the applicable requirements of the IDO and DPM.
3. The property is zoned RA and is in an Area of Consistency. The applicant received a variance to the lot size in May of 2018 to allow the smaller size for lot 8A (18-ZHE-80085). The ZHE conditions of approval prohibited subdivision of lot 9A. The plat has a note referencing this prohibition.

2. The applicant will obtain final sign off from Planning by **January 16, 2019** or the case will be scheduled for the next DRB hearing and can be denied per the DRB Rules of Procedure. The applicant can request additional time as long as the request is made prior
