On February 2, 2017 the Environmental Planning Commission (EPC) voted to DEFER Project 1001620/
Albuquerque 16EPC-40082, amendments to the Zoning Code or Subdivision Regulations text, for two months to an
EPC hearing on April 6, 2017 based on the following findings:

NM 87103 FINDINGS:

1. The request is for adoption of the Integrated Development Ordinance (IDO) to replace the Zoning Code, Subdivision Ordinance, Airport Zone Ordinance, and Landmarks & Urban Conservation Ordinance and to include portions of the Planning Ordinance and the Development Process Manual (DPM).
2. On January 18, 2017, the City Council voted to postpone consideration of the Updated Albuquerque/Bernalillo County Comprehensive Plan to March 06, 2017 in order to provide additional outreach and input opportunities for the Spanish-speaking community. Council discussion noted that the IDO is closely related to the Comp Plan, and additional outreach would increase public understanding of both documents.
3. The Planning Department recommends a two-month deferral of the IDO to an EPC hearing on April 06, 2017 to allow time for additional outreach and discussion of both the Comp Plan and IDO.
