On March 9, 2017 the Environmental Planning Commission (EPC) voted to DEFER Project 1010582/16EPC-40077, a Zone Map Amendment (Zone Change) and 16EPC-40078, a Site Development Plan for Building Permit, based on the following findings:

[www.cabq.gov](http://www.cabq.gov)

### FINDINGS:

1. This request is for a Zone Map Amendment and Site Development Plan for Building Permit.
2. The City Council voted to approve an Economic Impact Evaluation of residential and commercial properties near the proposed project on January 4, 2016 (R-153). The resolution states that the City shall take no further action toward completion of the Project, and shall defer any pending matters, including but not limited to its land use application before the Environmental Planning Commission, until such time as the Economic Impact Evaluation is completed.
3. The Economic Impact Evaluation has not been completed, so based on Council resolution R-153, the EPC cannot act on this request.

4. A 30 day deferral to the April 13, 2017 EPC hearing will allow time for the Economic Impact Evaluation to be completed and for the applicant, staff and interested parties to review and analyze the results.

**APPEAL:** If you wish to appeal this decision, you must do so within 15 days of the EPC's decision or by **MARCH 24, 2017**. The date of the EPC's decision is not included in the 15-day period for filing an appeal, and if the 15<sup>th</sup> day falls on a Saturday, Sunday or Holiday, the next working day is considered as the deadline for filing the appeal.

For more information regarding the appeal process, please refer to Section 14-16-4-4 of the Zoning Code. A Non-Refundable filing fee will be calculated at the Land Development Coordination Counter and is required at the time the appeal is filed. It is not possible to appeal EPC Recommendations to City Council; rather, a formal protest of the EPC's Recommendation can be filed within the 15 day period following the EPC's decision.

You will receive notification if any person files an appeal. If there is no appeal, you can receive Building Permits at any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. Successful applicants are reminded that other regulations of the City Zoning Code must be complied with, even after approval of the referenced applications.

Sincerely,
