Findings

1. This request is for a Zone Map Amendment and Site Development Plan for Building Permit.
2. The City Council voted to approve an Economic Impact Evaluation of residential and commercial properties near the proposed project on January 4, 2016 (R-153). The resolution states that the City shall take no further action toward completion of the Project, and shall defer any pending matters, including but not limited to its land use application before the Environmental Planning Commission, until such time as the Economic Impact Evaluation is completed.
3. A 30 day deferral to the June 8, 2017 EPC hearing will allow time for the Economic Impact Evaluation to be completed and for the applicant, staff and interested parties to review and analyze the results.
