To Whom it may Concern:

Resolution of the West Side Coalition regarding Density Clarification

The West Side Coalition at their regularly scheduled meeting on 9/4/19 at which a quorum was present did unanimously pass the attached resolution. The intent of the resolution was to ask for clarification of density which isn't clear in the IDO.

The Coalition also intended this resolution to add other organizations, specifically the Inter-Coalition panel, in their attempts to bring clarity to Density as it is outlined in the IDO.

If the West Side Coalition can be of any assistance regarding this Resolution, please advise.
