MICHAEL & JUDITH WILSHER requests a special exception to Section 14-16-2-5(E): a VARIANCE of 15' to the required 25' rear yard setback for a proposed addition for all or a portion of Lot 2, INDIAN FARMS ADDITION zoned RA-2, located on 3019 INDIAN FARM LANE NW (G13)

Special Exception No:.....14ZHE-80286
Project No:Project# 1010300
Hearing Date:January 23, 2015
Closing of Public Record:January 23, 2015
Date of Decision:.....02-06-15

On the 23rd day of January, 2015 (hereinafter "**Hearing**") MICHAEL & JUDITH WILSHER (hereinafter "**Applicant**") appeared before the Zoning Hearing Examiner (hereinafter "**ZHE**") requesting a Variance of 15' to the required 25' rear yard setback for a proposed addition (hereinafter "**Application**") upon the real property located at 3019 INDIAN FARM LANE NW ("**Subject Property**"). Below are the findings of facts:

FINDINGS:

1. Applicant is requesting a Variance of 15' to the required 25' rear yard setback for a proposed addition.
2. The City of Albuquerque Zoning Code of Ordinances Section § 14-16-4-2 (C) (2) "SPECIAL EXCEPTIONS – VARIANCE" reads in part: "*A variance application shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds all of the following:*
 - a. *The application is not contrary to the public interest or injurious to the community, or to property or improvements in the vicinity;*
 - b. *There are special circumstances applicable to the subject property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid;*
 - c. *Such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable zoning district; and*
 - d. *Substantial justice is done.*
3. The ZHE finds that the Applicant has met its burden of providing evidence (both oral testimony and written material) that establishes that the Application is not going to be: (i) contrary to the public interest, (ii) injurious to the community; or (iii) injurious to the property/improvements located in the nearby vicinity of the Subject Property.

Specifically, the Applicant provided testimony that the proposed addition is only being requested because they Applicant needs to add an additional bathroom to the home, and that the addition is not going to be injurious to the neighbors [as required pursuant to Section § 14-16-4-2 (C) (2) (a)]. Further, the Application and testimony of the Applicant at the Hearing suggest that there is no neighborhood opposition to the Application. In fact, the Applicant stated that “the proximate neighbors” all support this Application and the file contains a letter of support from a neighbor. Additionally, the Applicant testified that the proposed addition would still allow 10’ to the property line and 45’ to 50’ separation from the neighbors to the south.

4. The ZHE finds that the Applicant has met its burden of providing evidence (both oral testimony and written material) that establishes that there are “special circumstances” applicable to the Subject Property which do not apply generally to other property in the same zone and vicinity. Specifically, the Applicant provided testimony that the Subject Property has unique physical constraints on the property such as a large tree, and a ponding area that prohibits the ability to perform the addition in certain areas of the property [as required pursuant to Section § 14-16-4-2 (C) (2) (b)].
5. The ZHE finds that the Applicant has met its burden of providing evidence (both oral testimony and written material) that establishes that the special circumstances presented hereinabove were not “self-imposed”, and that those special circumstances create an unnecessary hardship upon the Applicant. Specifically, the Applicant provided testimony that if the Applicant were forced to comply with the existing setback requirements that they would not be able to add a second bathroom to this adobe home which constitutes an “*unjustified limitation on the reasonable use of the Subject Property*” [as required pursuant to Section § 14-16-4-2 (C) (2) (c)]
6. The ZHE received a letter of support from V.B. Price and Rini Price (Nov. 23, 2104).
7. The ZHE finds that the Applicant has met its burden of providing evidence (both oral testimony and written material) that establishes that substantial justice will be done if this Application is approved. [as required pursuant to Section § 14-16-4-2 (C) (2) (d)]
8. Applicant testified at the Hearing that the yellow “Notice of Hearing” signs were posted for the required time period as articulated within City of Albuquerque Code of Ordinances § 14-16-4-2 (B) (4).

CONCLUSIONS OF LAW:

The Applicant has met their burden of submitting an Application that provides evidence that satisfies the elements required within §14-16-4-2 (C) (2) of the Albuquerque Zoning Code.

DECISION:

APPROVAL WITH CONDITIONS of a VARIANCE of 15' to the required 25' rear yard setback for a proposed addition.

CONDITIONS OF APPROVAL:

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
