Special Exception No:..... **17ZHE-80244**
Project No: **Project# 1011408**
Hearing Date: 11-21-2017
Closing of Public Record: 11-21-2017
Date of Decision: 12-06-2017

On the 21st, day of November, 2017, TIERRA WEST LLC (“Agent”) acting as agent on behalf of the property owner PALO ALTO INC (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a conditional use to allow a Drive - thru in a SU-1 for IP zone (“Application”) upon the real property located at 303 COORS BLVD NW (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a conditional use to allow a Drive - thru in a SU-1 for IP zone.
2. The City of Albuquerque Code of Ordinances Section 14-16-4-2(C)(1) (Special Exceptions – Conditional Use) reads: *“A conditional use shall be approved if and only if, in the circumstances of the particular case and under conditions imposed, the use proposed:*
 - (a) *Will not be injurious to the adjacent property, the neighborhood, or the community;*
 - (b) *Will not be significantly damaged by surrounding structures or activities.*
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that in the proposed use will not be injurious to the adjacent property, the neighborhood, or the community as required by Section 14-16-4-2(C)(1)(a).
17. Applicant proposes a new, two-tenant structure to house a take-out/delivery only restaurant and a drive through use.
18. The new structure and its drive through use will be buffered and screened from the adjacent apartment homes on the west by a roadway, detention pond and landscaping on either side of those features totaling up to 158 feet, with a minimum of 127 feet, plus a fence, from the drive through lane of the proposed use.
19. The adjacent apartment homes on the north will be buffered and screened by 76 feet of landscaping and ponding area and a fence.
20. These setbacks, buffers and screens limit the potential for injury from the proposed drive through use.

5. The design provides for 180 feet of queuing, which significantly exceeds the required minimum.
6. The design provides for 175 feet of separation between the drive through window and adjacent residential uses, which also significantly exceeds the required minimum.
7. A trip generation analysis indicates no significant impact to existing traffic circulation.
8. There is no indication of the potential for the proposed drive through use to cause injury.
9. The ZHE finds that in the proposed use will not be significantly damaged by surrounding structures or activities as required by Section 14-16-4-2(C)(1)(b).
10. The ZHE finds that the proper "Notice of Hearing" signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
11. The ZHE finds that the Applicant has authority to pursue this Application.

DECISION:

APPROVAL of a conditional use to allow a Drive - thru in a SU-1 for IP zone.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application.

To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number.

Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
