CONCLUSIONS OF LAW:

The criteria within Section 14-16-6-6(N)(3)(c) of the Integrated Development Ordinance are satisfied.

DECISION:

APPROVAL of a variance to allow a 6 ft tall chain link fence in the front yard and side yard.

If you wish to appeal this decision, you must do so by October 18, 2018 in the manner described below. A non-refundable filing fee will be calculated at the Planning Department's Land Development Coordination counter and is required at the time the Appeal is filed.

Appeal must be filed with the Planning Department within 15 days after the decision. The appeal shall specifically state the section of the Integrated Development Ordinance, City regulation, or condition attached to a decision that has not been interpreted correctly, as required by Section 14-16-6-4(U)(3)(a)(3) of the Integrated Development Ordinance. Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. **Please present this letter of notification when filing an appeal.** When an application is withdrawn, the fee shall not be refunded.

Once an appeal is accepted by the Planning Department, it shall prepare and transmit a record of the appeal together with all appeal material received from the appellant to impacted parties and to the Land Use Hearing Officer (LUHO) through the Clerk of the City Council.

The LUHO shall then schedule a hearing on the matter within 30 consecutive days of receipt and notify the parties, pursuant to Section 14-16-6-4(U)(3)(d). The Planning Department shall give written notice of an appeal, together with a notice of the date, time and place of the hearing to the applicant, a representative of the opponents, if any are known, and the appellant.

Please note that pursuant to Section 14-16-6-4(U), of the Integrated Development Ordinance, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above; provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring

this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is **void after one year** from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
