Special Exception No:..... **18ZHE-80083**
Project No:..... **Project# 1011588**
Hearing Date: 05-15-2018
Closing of Public Record: 05-15-2018
Date of Decision: 05-30-2018

On the 15th day of May, 2018, CONSENSUS PLANNING INC (“Agent”) acting as agent on behalf of the property owner LEGACY HOSPITALITY LLC (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a variance of 4 ft to the maximum 10 ft in length and a variance of 6 in to the 4 ft maximum height for a proposed monument sign (“Application”) upon the real property located at 8800 SAN PEDRO DR NE (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a variance of 4 ft to the maximum 10 ft in length and a variance of 6 in to the 4 ft maximum height for a proposed monument sign.
2. The City of Albuquerque Zoning Code of Ordinances Section 14-16-4-2(C)(2) (Special Exceptions – Variance) reads: “*A variance application shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds all of the following:*
 - (a) *The application is not contrary to the public interest or injurious to the community, or to property or improvements in the vicinity;*
 - (b) *There are special circumstances applicable to the subject property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid;*
 - (c) *Such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable zoning district; and*
 - (d) *Substantial justice is done.*”
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).

4. The ZHE finds that Application is not: (i) contrary to the public interest, (ii) injurious to the community; or (iii) injurious to the property or improvements located in the vicinity as required by Section 14-16-4-2(C)(2)(a).
5. The proposed sign requires a minimal easing of the requirements, with an additional 6" in height and 4' in width.
6. The Applicant was approved by the DRB without concern expressed about the height of the monument sign.
7. The sign will ensure appropriate and safe visibility to motorists, while not posing any injury to other properties or users in the area. It will not interfere with views, access, light or visibility of other signs.
8. There will be no signage on the proposed building, and the monument sign will be set back 43 feet.
9. The ZHE finds that there are special circumstances applicable to the Subject Property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid, as required by Section 14-16-4-2(C)(2)(b).
10. Specifically, the ZHE finds that the Subject Property is a high density use located on arterial and collector roads, in a transitional area.
11. The Subject Property has three frontages, with 1600 linear feet on Alameda.
12. These circumstances, combined, constitute special circumstances applicable to the Subject Property.
13. The ZHE finds that such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable district, as required by Section 14-16-4-2(C)(2)(c).
14. Specifically, the ZHE finds that the special circumstances are unavoidable and not self-imposed. Allowing a reasonable expansion of signage will avoid an unnecessary hardship.
15. The ZHE finds that substantial justice will be done if this Application is approved, as required pursuant to Section 14-16-4-2(C)(2)(d).
16. The ZHE finds that the proper "Notice of Hearing" signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
17. The ZHE finds that the Applicant has authority to pursue this Application.

CONCLUSIONS OF LAW:

The criteria within Section 14-16-4-2(C)(2) of the Albuquerque Zoning Code are satisfied.

A filing fee of \$105.00 shall accompany each appeal application, as well as a written explanation outlining the reason for appeal and a copy of the ZHE decision. Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. **Please present this letter of notification when filing an appeal.** When an application is withdrawn, the fee shall not be refunded.

An appeal shall be heard by the Board of Appeals within 45 days of the appeal period and concluded within 75 days of the appeal period. You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
