On the 16th day of August, 2016, KEVIN DEGROUW (“Agent”) acting as agent on behalf of the property owner JOHN S DEGROUW & DEBRA DEGROUW (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a conditional use to allow a 5 ft wall at 11 ft from the back of the sidewalk (“Application”) upon the real property located at 2301 CALLE DE REAL NW (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a conditional use to allow a 5 ft wall at 11 ft from the back of the sidewalk.
2. The City of Albuquerque Code of Ordinances Section 14-16-4-2(C)(1) (Special Exceptions – Conditional Use) reads: “*A conditional use shall be approved if and only if, in the circumstances of the particular case and under conditions imposed, the use proposed:*
(a) *Will not be injurious to the adjacent property, the neighborhood, or the community;*
(b) *Will not be significantly damaged by surrounding structures or activities.*”
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that in the proposed use will not be injurious to the adjacent property, the neighborhood, or the community as required by Section 14-16-4-2(C)(1)(a).
5. Specifically, Specifically, the ZHE finds that the proposed wall will be designed to coordinate with the house and otherwise be harmonious with the subject property. It will not block views or light or otherwise visually interfere with adjacent properties, including access. It will not change the character of the property, its use or its impact on the neighborhood or community.
6. In addition, the support of the architectural control committee indicates the absence of potential injury to the surrounding area.

7. The ZHE finds that in the proposed use will not be significantly damaged by surrounding structures or activities as required by Section 14-16-4-2(C)(1)(b).
8. The ZHE finds that the proper “Notice of Hearing” signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
9. The ZHE finds that the Applicant has authority to pursue this Application.

DECISION:

APPROVAL of a conditional use to allow a 5 ft wall at 11 ft from the back of the sidewalk.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
