Special Exception No:..... **15ZHE-80300**  
Project No:..... **Project# 1010701**  
Hearing Date:..... 02-16-16  
Closing of Public Record:..... 02-16-16  
Date of Decision: ..... 03-02-16

On the 16th day of February, 2016 (hereinafter “Hearing”) LINDA MACKIE (hereinafter “Applicant”) appeared before the Zoning Hearing Examiner (hereinafter “ZHE”) requesting a Variance of 4 ft 6 in to the required 10 ft side yard setback for a proposed addition (hereinafter “Application”) upon the real property located at 2713 UTAH ST NE (“Subject Property”). Below are the findings of facts:

FINDINGS:

1. Applicant is requesting a variance of 4 feet 6 inches to the required 10-foot side yard setback.
2. The City of Albuquerque Zoning Code of Ordinances Section 14-16-4-2 (C)(2) (Special Exceptions – Variance) reads: “A *variance application shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds all of the following:*
  - (a) *The application is not contrary to the public interest or injurious to the community, or to property or improvements in the vicinity;*
  - (b) *There are special circumstances applicable to the subject property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid;*
  - (c) *Such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable zoning district; and*
  - (d) *Substantial justice is done.*”
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that Application is not: (i) contrary to the public interest, (ii) injurious to the community; or (iii) injurious to the property or improvements located in the vicinity as required by Section 14-16-4-2 (C)(2)(a).

5. Specifically, the ZHE finds that the reduced setback will not result in interfering with views, light or access for any other properties or improvements. It will not increase impacts on other properties or the community, including noise, light or traffic.
6. The proposed variance will permit the proposed addition to be built continuously with the existing residence's wall as it was originally constructed in 1956, and it will be built in a matching style.
7. The ZHE finds that there are special circumstances applicable to the Subject Property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid, as required by Section 14-16-4-2(C)(2)(b).
8. Specifically, the ZHE finds that the existing lot and development on the lot were created in 1956, prior to the applicability of the current setback standards and. In addition, the Subject Property is 72 feet wide, just over the maximum scaled setback width of 70 feet.
9. The ZHE finds that such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable district, as required by Section 14-16-4-2(C)(2)(c).
10. Specifically, the ZHE finds that there is an unnecessary hardship due to the unjustified limitation related to the current development on the Subject Property.
11. The ZHE finds that substantial justice will be done if this Application is approved, as required pursuant to Section 14-16-4-2 (C)(2)(d).
12. The ZHE finds that the proper "Notice of Hearing" signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
13. The ZHE finds that the Applicant has authority to pursue this Application.

#### CONCLUSIONS OF LAW:

The Applicant has met the burden of introducing evidence that satisfies the criteria within Section 14-16-4-2(C)(2) of the Albuquerque Zoning Code.
