On the 16th day of June, 2015 (hereinafter “**Hearing**”) RICHARD J HANSON (hereinafter “**Applicant**”) appeared before the Zoning Hearing Examiner (hereinafter “**ZHE**”) requesting a Conditional Use to allow a proposed 6' wall in the front setback area at more than 10' back from property line (hereinafter “**Application**”) upon the real property located at 13416 CIRCULO LARGO DR NE (“**Subject Property**”). Below are the findings of facts:

FINDINGS:

1. Applicant is requesting a Conditional Use to allow a proposed 6' wall in the front setback area at more than 10' back from property line.
2. The City of Albuquerque Code of Ordinances Section § 14-16-4-2 (C) (1) (a) “SPECIAL EXCEPTIONS” reads in part: “*A conditional use shall be approved if and only if, in the circumstances of the particular case and under conditions imposed, the use proposed will not be injurious to the adjacent property, the neighborhood, or the community.*”
3. Applicant testified at the Hearing that the Conditional Use, if approved, will not be injurious to the adjacent property, neighborhood, or the community because the proposed wall will be professionally designed (Mr. Baker Morrow) and installed. The Applicant also noted that the wall has the support of the three neighbors located near the home. The Applicant also indicated that the home backs up to “manual open space” and there are no neighbors located behind the home.

5. Applicant testified at the Hearing that the proposed conditional use, will not be significantly damaged by the surrounding structures or activities.

6. The yellow “Notice of Hearing” signs were posted for the required time period as articulated within City of Albuquerque Code of Ordinances § 14-16-4-2 SPECIAL EXCEPTIONS.
7. The City of ABQ Traffic Engineer indicated that the wall does not impair the clear sight triangle regulations.
8. The Applicant has adequately justified the Conditional Use request pursuant to City of Albuquerque Code of Ordinances § 14-16-4-2 SPECIAL EXCEPTIONS.

DECISION:

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an

application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
