Special Exception No:..... **15ZHE-80141**  
Project No:..... **Project# 1010462**  
Hearing Date:..... 06-16-15  
Closing of Public Record:..... 06-16-15  
Date of Decision: ..... 06-29-15

On the 16th day of June, 2015 (hereinafter “**Hearing**”) JAMES TELLER (hereinafter “**Applicant**”) appeared before the Zoning Hearing Examiner (hereinafter “**ZHE**”) requesting a Variance of 9' to the required 10' side setback required for a proposed addition (hereinafter “**Application**”) upon the real property located at 3115 LOS ANAYAS RD NW (“**Subject Property**”). Below are the findings of facts:

**FINDINGS:**

1. Applicant is requesting a Variance of 9' to the required 10' side setback required for a proposed addition.
2. The City of Albuquerque Zoning Code of Ordinances Section § 14-16-4-2 (C) (2) “SPECIAL EXCEPTIONS – VARIANCE” reads in part: “A variance application shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds **all** of the following:  
(a) The application is not contrary to the public interest or injurious to the community, or to property or improvements in the vicinity;  
(b) There are special circumstances applicable to the subject property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid;  
(c) Such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable zoning district; and  
(d) Substantial justice is done.”
3. The ZHE finds that the Applicant has met its burden of providing evidence (both oral testimony and written material) that establishes that the Application is not going to be: **(i)** contrary to the public interest, **(ii)** injurious to the community; or **(iii)** injurious to the property/improvements located in the nearby vicinity of the Subject Property. Specifically, the Applicant provided testimony that proposed carport is situated well back on the property and has very limited visibility from the street and there are no

properties immediately across the street from the proposed addition that have a direct view of the carport. Additionally the Applicant secured a letter of approval from the neighbor located immediately adjacent to the carport (see ZHE File). For these reasons, the ZHE believes that the Applicant has met the burden of proving that the Applicant has met its burden of proving that it will not be injurious [as required pursuant to Section § 14-16-4-2 (C) (2) (a)]. Further, the Application and testimony of the Applicant at the Hearing suggest that there is no neighborhood opposition to the Application.

4. The ZHE finds that the Applicant has met its burden of providing evidence (both oral testimony and written material) that establishes that there are “special circumstances” applicable to the Subject Property which do not apply generally to other property in the same zone and vicinity. Specifically, the Applicant provided testimony that many of the homes in the Los Duranes neighborhood are narrow (Spanish land grant) [as required pursuant to Section § 14-16-4-2 (C) (2) (b)].
5. The ZHE finds that the Applicant has met its burden of providing evidence (both oral testimony and written material) that establishes that the special circumstances presented hereinabove were not “self-imposed”, and that those special circumstances create an unnecessary hardship upon the Applicant. Specifically, the Applicant provided testimony that the narrowness of the lot (special circumstance) would make it impossible to install a carport that complies with the zoning code setbacks which constitutes an “*unjustified limitation on the reasonable use of the Subject Property*” [as required pursuant to Section § 14-16-4-2 (C) (2) (c)]
6. The ZHE finds that the Applicant has met its burden of providing evidence (both oral testimony and written material) that establishes that substantial justice will be done if this Application is approved. [as required pursuant to Section § 14-16-4-2 (C) (2) (d)]
7. Applicant testified at the Hearing that the yellow “Notice of Hearing” signs were posted for the required time period as articulated within City of Albuquerque Code of Ordinances § 14-16-4-2 (B) (4).

#### **CONCLUSIONS OF LAW:**

The Applicant has met their burden of submitting an Application that provides evidence that satisfies the elements required within §14-16-4-2 (C) (2) of the Albuquerque Zoning Code.

#### **DECISION:**

**APPROVAL WITH CONDITIONS** of a VARIANCE of 9' to the required 10' side setback required for a proposed addition (carport).

#### **CONDITIONS OF APPROVAL:**

- A. The Applicant shall ensure that the carport matches the colors and quality of construction as the home on the subject property.

If you wish to appeal this decision, you may do so in the manner described below:

Appeal is to the Board of Appeals within 15 days of the decision. A filing fee of \$105.00 shall accompany each appeal application, as well as a written explanation outlining the reason for appeal and a copy of the ZHE decision. An appeal shall be heard by the Board of Appeals within 45 days of the appeal period and concluded within 75 days of the appeal period. You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
