Special Exception No:..... **16ZHE-80039**
Project No:..... **Project# 1010749**
Hearing Date:..... 03-15-16
Closing of Public Record:..... 03-15-16
Date of Decision: 03-30-16

On the 15th day of March, 2016, MONKS LAB, LLC (“Agent”) acting as agent on behalf of the property owner ELIOT SALGADO (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a variance of 47 off street parking spaces to the 50 required to allow a proposed brewery (“Application”) upon the real property located at 1501 1ST ST NW (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a variance of 47 off street parking spaces to the 50 required to allow a proposed brewery.
2. The City of Albuquerque Zoning Code of Ordinances Section 14-16-4-2 (C)(2) (Special Exceptions – Variance) reads: “A variance application shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds all of the following:
(a) *The application is not contrary to the public interest or injurious to the community, or to property or improvements in the vicinity;*
(b) *There are special circumstances applicable to the subject property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid;*
(c) *Such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable zoning district; and*
(d) *Substantial justice is done.*”
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that Application is not: (i) contrary to the public interest, (ii) injurious to the community; or (iii) injurious to the property or improvements located in the vicinity as required by Section 14-16-4-2 (C)(2)(a).
5. Specifically, the ZHE finds that the shared parking arrangement to be provided ensures adequate parking while at the same time reducing unnecessary impermeable surface and duplicative land uses.

6. The ZHE finds that there are special circumstances applicable to the Subject Property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid, as required by Section 14-16-4-2(C)(2)(b).
7. Specifically, the ZHE finds that the subject has minimal parking for the size of the property and allowable uses, and there is superadequate parking immediately adjacent.
8. The ZHE finds that such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable district, as required by Section 14-16-4-2(C)(2)(c).
9. Specifically, the ZHE finds that the Applicant is making reasonable and appropriate use of the subject property given the limitations for which Applicant is not responsible. There is no basis on which to unreasonably deny the proposed solution.
10. The ZHE finds that substantial justice will be done if this Application is approved, as required pursuant to Section 14-16-4-2 (C)(2)(d).
11. The ZHE finds that the proper “Notice of Hearing” signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
12. The ZHE finds that the Applicant has authority to pursue this Application.

CONCLUSIONS OF LAW:

The criteria within Section 14-16-4-2(C)(2) of the Albuquerque Zoning Code are satisfied.

DECISION:

APPROVAL WITH CONDITIONS of a variance of 47 off street parking spaces to the 50 required to allow a proposed brewery.

CONDITIONS: Applicant shall submit evidence of an agreement providing for exclusive use of the required number of parking spaces for Applicant’s regular hours of application, and shall keep such evidence current.
