PRISCILLA KINZER (ROBERT PENNINGTON, AGENT) requests a special exception to Section 14-16-2-6(E)(1): a VARIANCE of 12 ft to the required 20 ft front yard setback for all or a portion of Lot 4, Block 2, Granada Heights Addn zoned R-1, located on 216 HERMOSA DR SE (K-17)

Special Exception No:..... **17ZHE-80065**
Project No:..... **Project# 1011197**
Hearing Date:..... 05-16-17
Closing of Public Record:..... 05-16-17
Date of Decision: 05-31-17

On the 16th day of May, 2017, ROBERT PENNINGTON (“Agent”) acting as agent on behalf of the property owner PRISCILLA KINZER (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a variance of 12 ft to the required 20 ft front yard setback (“Application”) upon the real property located at 216 HERMOSA DR SE (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a variance of 12 ft to the required 20 ft front yard setback.
2. The City of Albuquerque Zoning Code of Ordinances Section 14-16-4-2 (C)(2) (Special Exceptions – Variance) reads: “A *variance application shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds all of the following:*
 - (a) *The application is not contrary to the public interest or injurious to the community, or to property or improvements in the vicinity;*
 - (b) *There are special circumstances applicable to the subject property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid;*
 - (c) *Such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable zoning district; and*
 - (d) *Substantial justice is done.*”
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that Application is not: (i) contrary to the public interest, (ii) injurious to the community; or (iii) injurious to the property or improvements located in the vicinity as required by Section 14-16-4-2 (C)(2)(a).
5. Specifically, the ZHE finds that the proposed garage is a reasonable use, will not unduly interfere with the views, light or access of other owners, is designed in the

same architectural style of the house and is supported by at least seven neighbors, indicating its lack of injury.

6. The next requirement is that the ZHE find that there are special circumstances applicable to the Subject Property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid, as required by Section 14-16-4-2(C)(2)(b).
7. The Nob Hill Neighborhood Association submitted comments, some of which were positive, but also primarily expressing the association's concern that it found "no exceptionality" in the application.
8. It should be noted that the requirement of exceptionality has been replaced in the current code language by the above requirement requiring a finding of "special" (rather than exceptional) circumstances.
9. That said, the requirement is that the special circumstances "do not apply generally to other property in the same zone or vicinity."
10. The special circumstances asserted by the Applicant are that the Hermosa Drive SE right of way is 75' and the sidewalks are 15' inside of the right of way, with the result that the approved garage would be located 25' from the sidewalk at its closest point.
11. Unfortunately, I cannot find, on the evidence in the record, that this is not a condition that does not apply generally to other property in the vicinity; rather, it appears to be a defining characteristic of properties in the vicinity.
12. The ZHE finds that the proper "Notice of Hearing" signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
13. The ZHE finds that the Applicant has authority to pursue this Application.

CONCLUSIONS OF LAW:

The criteria within Section 14-16-4-2(C)(2) of the Albuquerque Zoning Code are satisfied.

DECISION:

DENIAL of a variance of 12 ft to the required 20 ft front yard setback.

If you wish to appeal this decision, you must do so by June 15, 2017, in the manner described below. A non-refundable filing fee will be calculated at the Planning Department's Land Development Coordination counter and is required at the time the Appeal is filed.

Appeal is to the Board of Appeals within 15 days of the decision. A filing fee of \$105.00 shall accompany each appeal application, as well as a written explanation outlining the reason for appeal and a copy of the ZHE decision. Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. **Please present this**

letter of notification when filing an appeal. When an application is withdrawn, the fee shall not be refunded.

An appeal shall be heard by the Board of Appeals within 45 days of the appeal period and concluded within 75 days of the appeal period. The Planning Division shall give written notice of an appeal, together with a notice of the date, time and place of the hearing to the applicant, a representative of the opponents, if any are known, and the appellant.

Please note that pursuant to Section 14. 16. 4. 4. (B), of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
