NOTIFICATION OF DECISION

PHILLIP ZWIEFELHOFER requests a special exception to Section 14-16-2-14(E)(2) and 14-16-2-6(B)(3) : a CONDITIONAL USE to allow an existing carport in the required side yard setback for all or a portion of Lot 99, Prairie Ridge Unit 2 zoned R-D, located on 4401 SPANISH BROOM CT NW (E-12)

Special Exception No:..... **16ZHE-80173**
Project No:..... **Project# 1010899**
Hearing Date:..... 09-20-16
Closing of Public Record:..... 09-20-16
Date of Decision: 10-05-16

On the 20th day of September, 2016, PHILLIP ZWIEFELHOFER (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a conditional use to allow an existing carport in the required side yard setback (“Application”) upon the real property located at 4401 SPANISH BROOM CT NW (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a conditional use to allow an existing carport in the required side yard setback.
2. The City of Albuquerque Code of Ordinances Section 14-16-4-2(C)(1) (Special Exceptions – Conditional Use) reads: “*A conditional use shall be approved if and only if, in the circumstances of the particular case and under conditions imposed, the use proposed:*
 - (a) *Will not be injurious to the adjacent property, the neighborhood, or the community;*
 - (b) *Will not be significantly damaged by surrounding structures or activities.*
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that in the proposed use will not be injurious to the adjacent property, the neighborhood, or the community as required by Section 14-16-4-2(C)(1)(a).
5. Specifically, the ZHE finds that, if conditioned as provided below, the carport reasonably coordinates with the house and otherwise is reasonably harmonious with the subject property, will not block views or light to other properties and will not result in increased intensity of use of the subject property.
6. The ZHE makes this finding in the context of the otherwise-allowable uses which would permit an even taller structure if built so that it does not impinge on the setback, which would reduce its current width by slightly less than five feet. The ZHE finds that this reduction would not address the concerns of the adjacent neighbor and others. Rather, approval with conditions will result in a structure that is more harmonious and less impactful than will denial and reconstruction in accordance with code requirements.

7. The ZHE finds that in the proposed use will not be significantly damaged by surrounding structures or activities as required by Section 14-16-4-2(C)(1)(b).
8. The ZHE finds that the proper “Notice of Hearing” signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
9. The ZHE finds that the Applicant has authority to pursue this Application.

DECISION:

APPROVAL WITH CONDITIONS of a conditional use to allow an existing carport in the required side yard setback.

CONDITIONS OF APPROVAL:

1. Applicant shall construct the improvements presented at the Hearing, including the visual dressing elements, within ninety (90) days of approval.
2. Applicant shall obtain approval of a street tree plan for the area adjacent to the carport, submitted in accordance with Section 6-6-2-4, and shall comply with such plan.
3. Applicant shall either re-stucco the residence, or re-paint the carport, in coordinating colors, within ninety (90) days of approval.

If you wish to appeal this decision, you must do so by October 20, 2016, in the manner described below. A non-refundable filing fee will be calculated at the Planning Department’s Land Development Coordination counter and is required at the time the Appeal is filed.

Appeal is to the Board of Appeals within 15 days of the decision. A filing fee of \$105.00 shall accompany each appeal application, as well as a written explanation outlining the reason for appeal and a copy of the ZHE decision. Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. **Please present this letter of notification when filing an appeal.** When an application is withdrawn, the fee shall not be refunded.

An appeal shall be heard by the Board of Appeals within 45 days of the appeal period and concluded within 75 days of the appeal period. The Planning Division shall give written notice of an appeal, together with a notice of the date, time and place of the hearing to the applicant, a representative of the opponents, if any are known, and the appellant.

Please note that pursuant to Section 14. 16. 4. 4. (B), of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
