Department of Senior Affairs

Number of Home Services Hours by Year

The graph depicts the amount of hours that the Department of Senior Affairs Home Services Team spends in a senior's home to provide a variety of services such as building wheelchair ramps, installing grab bars in bathrooms, performing minor home repairs and chores. All of these services allow the senior to remain in their home safely. This measure demonstrates the Department's commitment to assisting seniors to remain independent. *Service Units for this measure are established jointly by the Area Plan and the Department and change annually depending on participation, funding, and needs.
