

(PROCEDURE "A" - City)
INFRASTRUCTURE IMPROVEMENTS AGREEMENT

FIGURE 11
AGREEMENT TO CONSTRUCT PUBLIC IMPROVEMENTS

THIS AGREEMENT is made this (Date) _____ 20_____, by and between the City of Albuquerque, New Mexico ("City"), whose address is P. O. Box 1293 (One Civic Plaza), Albuquerque, New Mexico 87103, and _____ ("Developer"), a _____, [state the type of business entity e.g. "New Mexico corporation," "general partnership," "individual," etc.] _____, whose address is _____ (City) _____, (State) _____ (Zip Code) _____ and whose telephone number is _____, in Albuquerque, New Mexico, and is entered into as of the date of final execution of this Agreement.

1. Recital. The Developer is developing certain lands within the City of Albuquerque, Bernalillo County, New Mexico, known as [describe:] _____

_____ recorded on (Date) _____, 20_____, in Book _____, pages _____ through _____ as Document No. _____ in the records of Bernalillo County Clerk, State of New Mexico ("Developer's Property"). The Developer certifies that the Developer's Property is owned by [state the name of the present real property owner exactly as shown on the real estate document conveying title in Developer's Property to the present owner:] _____ ("Owner").

Developer proposes to install public infrastructure improvements upon City property or within utility easements, which abut, or are near, or on, Developer's Property, for the benefit of Developer's Property. The City requires, and the Developer is willing to provide certain assurances as a prerequisite to the City's granting permission to the Developer to enter City property to construct the improvements.

2. Deadline and Improvements. The Developer agrees to install and complete the following public infrastructure improvements, identified as Project No. _____, to the satisfaction of the City, on or before the (Date) _____, 20____ ("Construction Completion Deadline"), at no cost to the City: _____

_____ ("Improvements").

3. Albuquerque Bernalillo County Water Utility Authority. Pursuant to the Memorandum of Understanding between the City of Albuquerque and the Albuquerque Bernalillo County Water Utility Authority ("ABCWUA") dated March 21, 2007, the City is authorized to act on behalf of the ABCWUA with respect to Improvements that involve water and sewer infrastructure.

4. Work Order Requirements. The City agrees to issue a Work Order after:

A. The Developer submits all documents and meets all requirements listed in Development Process Manual, Volume 1, Chapter 5, Work Order Process, and Figure 1, including submitting a Certificate of Insurance in a form acceptable to the City. The certificate must establish that the Developer has procured or has caused to be procured public liability insurance in the amount of not less than One Million Dollars (\$1,000,000) combined single limit for accidents or occurrences which are related to the activities covered by this Agreement which cause bodily injury, death or property damage to any member of the public as a result of any condition of the Developer's Property, the Improvements, or the Developer's construction activities on Developer's Property, the City's property, or utility easements. The insurance policy must name the City of Albuquerque, its employees and elected officials, as their interest may appear, as additional insureds. If the Improvements include water and wastewater infrastructure, the insurance policy must name the ABCWUA, its employees, officers and agents, as their interest may appear, as additional insureds. The Developer must maintain the insurance until the City accepts the Improvements. The cancellation provision must provide that, if the policy is either canceled prior to the expiration date of the policy, or is materially changed, or not renewed, the issuing company will mail notice to the City, attention City Engineer.

B. The Developer complies with all applicable laws, ordinances and regulations, including, but not limited to the City's Street Excavation and Barricading Ordinance, and pays the following required engineering, staking, testing fees, and other related City fees or, if the Improvements include water and wastewater infrastructure, ABCWUA fees:

Type of Fee	Amount
Engineering Fee	3.6% of total cost
Street Excavation and Barricading Ordinance and street restoration fees	As required per City-approved estimate (Figure 7)

(Note: The Developer must pay the City all City and ABCWUA fees which have been incurred during construction before the City will accept the public Improvements.)

5. Surveying, Inspection and Testing. The Improvements shall be inspected, surveyed and tested in accordance with all applicable laws, ordinances, and regulations, and according to the following terms:

A. Construction Surveying. Construction surveying for the construction of the Improvements shall be performed by _____. If the construction surveying is performed by an entity other than the City, the City may monitor the construction surveying and the Developer shall ensure that the construction surveying entity provides all construction surveying field notes, plats, reports and related data to the City which the City requires for review. The Developer shall pay the City a reasonable fee for any construction surveying performed by the City. As-built record drawings shall be provided to the City by the entity performing the survey.

B. Construction Inspection Methods. Inspection of the construction of the Improvements shall be performed by _____, a New Mexico

Registered Professional Engineer. If the inspection is performed by an entity other than the City, the City may monitor the inspection and the Developer shall ensure that the inspecting entity provides all inspection results, reports and related data to the City which the City requires for review. The City retains the right to perform its own general overall inspection of the construction project at any time prior to final acceptance of the Improvements, if deemed necessary or advisable by the City Engineer. The Developer shall pay the City a reasonable fee for any inspections performed by the City.

C. Field Testing. Field testing of the construction of the Improvements shall be performed by _____, a certified testing laboratory under the supervision of a New Mexico Registered Professional Engineer, in accordance with the current City of Albuquerque Standard Specifications for Public Works Construction. If any field testing is performed by an entity other than the City, the City may monitor the field testing and the Developer shall ensure that the field testing entity provides all field testing results, reports and related data to the City which the City requires for review. The Developer shall pay the City a reasonable fee for any field testing performed by the City.

D. Additional Testing. The City retains the right to perform all additional testing which the City Engineer deems is necessary or advisable, and the Developer shall pay the City a reasonable fee therefore.

6. Acceptance and Termination. After the Developer completes the Improvements to the satisfaction of the City and submits the final acceptance package, the City will review it, and, if acceptable, the City will issue a Certificate of Completion and Acceptance for the Improvements. Thereafter, the Developer's obligations to the City pursuant to this Agreement shall terminate, with the exception of the bond or other guarantee which the Developer must provide to assure the materials and workmanship, as required by the Integrated Development Ordinance.

7. Indemnification. Until the Improvements are accepted by the City, the Developer shall be solely responsible for maintaining the premises upon which the Improvements are being constructed in a safe condition. The Developer agrees to indemnify and hold harmless the City and its officials, agents and employees and, if the Improvements include water and wastewater infrastructure, the ABCWUA, its employees, officers and agents, from any claims, actions, suits or other proceedings arising from or out of the acts or omissions of the Developer, its agents, representatives, contractors or subcontractors or arising from the failure of the Developer, its agents, representatives, contractors or subcontractors to perform any act or duty required of the Developer herein. The indemnification required hereunder shall not be limited as a result of the specifications of any applicable insurance coverage. Nothing herein is intended to impair any right or immunity under the laws of the State of New Mexico.

8. Assignment. This Agreement shall not be assigned without the prior written consent of the City and the Developer and the express written concurrence of any surety which has undertaken to guarantee the completion of the Improvements. The City's approval will not be withheld unreasonably. If so assigned, this Agreement shall extend to and be binding upon the successors and assigns of the parties hereto.

9. Failure to Complete Improvements. If the Developer fails to complete construction of the Improvements, including submittal of the final acceptance package, by the Construction Completion Deadline, the City may make demand upon the contractor's bonds in order to obtain payment for

completing the Improvements and/or the City may place a hold on the Certificate of Occupancy on the building related to the project. If the cost of completing the Improvements exceeds the amount of the bonds, the City may proceed against the Developer for the balance of the completion costs and for any costs or damages incurred by the City as a result of Developer's failure to perform according to the terms of this Agreement.

10. Notice. For purposes of giving formal written notice, including notice of change of address, the Developer's and the City's addresses are as stated in the first paragraph of this Agreement. Notice may be given either in person or by certified U.S. mail, postage paid. Notice will be considered to have been received within three (3) days after the notice is mailed if there is no actual evidence of receipt.

11. Entire Agreement. This Agreement contains the entire agreement of the parties and supersedes any and all other agreements or understandings, oral or written, whether previous to the execution hereof or contemporaneous herewith.

12. Changes to Agreement. Changes to this Agreement are not binding unless made in writing, signed by both parties.

13. Construction and Severability. If any part of this Agreement is held to be invalid or unenforceable, the remainder of the Agreement will remain valid and enforceable if the remainder is reasonably capable of completion.

14. Captions. The captions to the sections or paragraphs of this Agreement are not part of this Agreement and will not affect the meaning or construction of any of its provisions.

15. Form Not Changed. Developer agrees that changes to this form are not binding unless initialed by the Developer and signed by the City's Legal Department on this form.

16. Authority to Execute. If the Developer signing below is not the Owner of the Developer's Property, the City may require the Developer to provide the City with satisfactory proof of Developer's authority to execute this Agreement.

Executed on the date stated in the first paragraph of this Agreement.
