Summary of Analysis

The application for a Certificate of Appropriateness for use of a third sign. The requested sign is a portable sandwich board sign to be located at the corner of South Plaza and Romero Street in Old Town. The applicant has presented visibility issues from the main flow of pedestrian traffic in Old Town.

Per IDO section 14-16-3-5(K)(3)(c) iii. the LC may approve 1 additional sign per establishment where the LC determines that there is not reasonable visibility of the establishment from the public right-of-way or adjacent property without such an additional sign.

This request was reviewed against the relevant guidelines for the Old Town Historic Overlay Zone and the criteria for approval of a Certificate of Appropriateness in the IDO Section 14-16-6-6(D)(3) and 14-16-3-5(K)(3)(c) iii. Subject to conditions, Staff considers the proposal consistent with the guidelines and the criteria.

Staff Recommendation

APPROVAL of Case # SI-2022-00495, Project # PR-2022-006721, a request for a Certificate of Appropriateness for a third sign, based on the Findings beginning on page X and subject to the conditions on page X.

II INTRODUCTION

Proposal and History

The application for a Certificate of Appropriateness is to request a third sign for the Old Barrel Tea Company, located at 2041 S. Plaza in Old Town. The business is located approximately 50 feet west of Romero St. as it runs along the Old Town Plaza. Businesses along this western portion of South Plaza have no visibility from the Plaza and do not readily receive pedestrian traffic.

At a public meeting held on March 20, 2018 to address zoning regulations and code enforcement in the Old Town Historic Overlay Zone (HOZ), merchants and property owners in Old Town expressed a desire to make recommendations to amend zoning regulations in Old Town. Particular concern was expressed with regard to existing regulations on outdoor displays, signage, and outdoor demonstrations.
As a result of this public engagement, it was recommended and approved by the Landmark Commission and City Council that per IDO section 14-16-3-5(K)(3)(c) iii:

the LC may approve 1 additional sign per establishment where the LC determines that there is not reasonable visibility of the establishment from the public right-of-way or adjacent property without such an additional sign.

The Old Barrel Tea Company is located along the portion of S. Plaza without parking and is largely used to exit Old Town. As such, it is one of the locations considered to have commercially poor visibility. This application is for an iron sign stand with painted chalkboard lettering to be placed at the NW corner of S. Plaza and Romero St.

Context

The Old Town Historic Preservation Overlay Zone encompasses an area roughly between Mountain Road and Central Ave. on the north and south, and Rio Grande Blvd. and the 19th St. on the west and east. The historic zone was created with the adoption of the City’s first zoning Code in 1959 to preserve and promote the educational, cultural and general welfare of the public through the preservation of protection of the traditional architectural character of historic old Albuquerque.

The Spanish Colonial, Territorial or Western Victorian architectural styles of buildings and structures erected prior to 1912 in the area now constituted as the State of New Mexico, comprise the traditional architectural character of the Old Town Historic Preservation Overlay Zone (MX-T). Inside this historic zone is the state registered “Old Albuquerque Historic District”. The Old Albuquerque Historic District is a sub-set of the Old Town Historic Preservation Overlay Zone. The historic district is the core of the Hispano village of Albuquerque, founded in 1706, and the main village in the area until the arrival of the railroad in 1880. The church and plaza are at the center of the district, as in most Hispanic villages of New Mexico.

Of the buildings in the district, only San Felipe de Neri church can be shown to date to the Spanish Colonial period. A few other buildings may be in whole or in part from the early nineteenth century, but the majority of the buildings in Old Albuquerque Historic District were built between 1870 and 1900.

Almost every building has seen some degree of remodeling, resulting from the area’s growth as a tourist-oriented commercial center after 1940. Old Albuquerque became “Old Town”, a district of shops, boutiques, galleries and restaurants. Many buildings acquired Pueblo Revival portals, protruding false vigas and other stylistic elements thought to be conducive to a tourist atmosphere.

APPLICABLE PLANS, ORDINANCES, DESIGN GUIDELINES & POLICIES

III ANALYSIS

Policies are written in regular text and staff analysis and comment in bold italic print.
Albuquerque-Bernalillo County Comprehensive Plan of 2017

This site is a Historic Asset in terms used in the Comprehensive Plan. The plan sets out goals and policies concerning land use, economic development and heritage conservation. Chapter 8, Section 1, Placemaking (pp. 8-27 – 8-29) states:

“Create places where business and talent will stay and thrive.”

Applicable Placemaking policies include:

**Policy 8.1.2** Resilient Economy: Encourage economic development efforts that improve quality of life for new and existing residents and foster a robust, resilient, and diverse economy.
   b) Encourage the production, local sale, and export of locally-grown and made goods.

*The approval of a third portable sign will encourage the traffic to the Old Town business.*

**Policy 8.1.4** Leverage Assets: Enhance and market the region’s unique characteristics internally and to outside businesses and individuals in order to compete with other regions.
   1. Encourage development that leverages the history and character of special places, such as Route 66 and Old Town

*Additional signage for this site, not readily visible from the Old Town plaza, will encourage successful business practices for Old Town.*

Chapter 11, Section 2, Historic Assets (pp.11-25 – 11-26) states:

“Preserve and enhance significant historic districts and buildings to reflect our past as we move into the future and to strengthen our sense of identity.”

**Policy 11.2.3** Distinct Built Environments: Preserve and enhance the social, cultural, and historical features that contribute to the identities of distinct communities, neighborhoods, and districts.
   b) Encourage development that strengthens the identity and cohesiveness of the surrounding community and enhances distinct historic and cultural features.

*The commercial success of businesses in Old Town strengthens its community identity. This application for the third sign is believed to be strategic to the success of business filing the request.*

*Integrated Development Ordinance (IDO)*
In May 2018, the Integrated Development Ordinance (IDO) replaced the City's Zoning Code and the property was zoned MX-T. The Old Town Historic Zone became the Old Town Historic Preservation Overlay Zone and it was expanded to include a primarily residential area to the south-east. The Integrated Development Ordinance Part 14-16-3-5 establishes controls and procedures for Historic Protection Overlay Zones (HPO). Part 14-16-3-5 (J) identifies standards and guidelines for HPO 5: Old Town.

6-6(D)(3) Review and Decision Criteria

An application for a Historic Certificate of Appropriateness – Major shall be approved if it complies with all of the following criteria:

6-6(D)(3)(a) The change is consistent with Section 14-16-3-5 (Historic Protection Overlay Zones), the ordinance designating the specific HPO zone where the property is located, and any specific development guidelines for the landmark or the specific HPO zone where the property is located.

The proposal is not contrary to the HPO guidelines specific to Old Town. The request falls within the criterion of no reasonable visibility of the establishment from the public right-of-way or adjacent property without such an additional sign. The business is along a road often ignored by foot traffic around the plaza.

6-6(D)(3)(b) The architectural character, historical value, or archaeological value of the structure or site itself or of any HPO zone in which it is located will not be significantly impaired or diminished.

The architectural character and historical value of the structure or site itself or of any HPO zone in which it is located will not be significantly impaired or diminished by the placement of the proposed sign. The character and quality of the sign is a decorative iron pole with signage at the top. It will only be outside during periods of business operation.

6-6(D)(3)(c) The change qualifies as a "certified rehabilitation" pursuant to the Tax Reform Act of 1976, if applicable.

Not applicable

6-6(D)(3)(d) The structure or site's distinguished original qualities or character will not be altered. For the purposes of Section 14-16-3-5 (Historic Protection Overlay Zones) and this Subsection 14-16-6-6(D), “original” shall mean as it was at the time of initial construction or as it has developed over the course of the history of the structure.

The proposal will cause no harm to the original, distinguishing qualities of the contributing building and its site.

6-6(D)(3)(e) Deteriorated architectural features shall be repaired rather than replaced, if possible. If replacement is necessary, the new material shall match the original as closely as possible in material and design.
The request is for new signage and has no bearing on any original architectural material or detailing.

6-6(D)(3)(f) Additions to existing structures and new construction may be of contemporary design if such design is compatible with its landmark status (if any) or the HPO zone.

Not applicable

**Old Town Historic Preservation Overlay Zone Development Guidelines**

Design Guidelines (as amended February, 2022) have been adopted by the Landmarks and Urban Conservation Commission for building projects in the MX-T Old Town Historic Preservation Overlay Zone. The guidelines include direction on such issues as building height, massing, proportion and scale, use of materials in new and existing buildings, relationship between buildings, landscaping, roadways, sidewalks, and the overall neighborhood character. Design Standards and Guidelines (amended 2018) also apply to new and replacement signage.

This request is for use of a third movable sign and is reviewed against IDO section 14-16-3-5(K) Old Town HPO-5 Guidelines. As stated:

Section 3-5(K)(3)(c) Signs

3. Maximum Number of Signs

A maximum of 2 signs that meet the type, dimension, and location requirements in Table 3-5-1 are allowed per establishment, with the following exceptions:

a. The following sign types do not count toward the maximum number of signs that are allowed:
   i. Window signs.
   ii. Temporary signs displayed on the day of an outdoor demonstration of the creation of retail goods.

b. Additional signs are allowed as follows:
   i. Restaurants are allowed 1 additional wall sign not to exceed 6 square feet.
   ii. Establishments that face 2 or more streets are allowed 1 additional sign.
   iii. The LC may approve 1 additional sign per establishment where the LC determines that there is not reasonable visibility of the establishment from the public right-of-way or adjacent property without such an additional sign. Such signs shall not exceed the maximum sign area in Table 3-5-1 as relevant to the type and location of the sign.

The applicant is requesting the third sign as set forth in 3 b. iii. The location of the shop is along S. Plaza in the section between Romero and Rio Grande. Although it is on a street, there is no parking along that section of the street and it is more often used when leaving Old Town. It is also not visible by pedestrian traffic around the Plaza.
The applicant is requesting a single sandwich board sign, 26” X 16”. (See application submittal) The removable sign would be placed at the NW corner of Romero and S. Plaza to bring attention to the shop’s location further to the west.

At the time of approval for these additional signs, shops along this portion of S. Plaza were specifically pointed out as needing this added signage.

Neighborhood Notification and other Considerations.

Required notification was sent via email to the Historic Old Town Property Owners Association and the West Old Town Neighborhood Association. Notification was sent via mail to property owners within 100 feet of the property. As of this writing, staff has not received any comments in support or opposition to the request.

Conclusions

The request for a Certificate of Appropriateness for signage has been reviewed against the HPO-5 Historic Old Town Development Standards & Guidelines and the criteria for approval of a Certificate of Appropriateness – Major in the Integrated Development Ordinance (IDO). The proposed movable signage conforms to the development guidelines and is considered appropriate.

FINDINGS for APPROVAL of a request for a Certificate of Appropriateness for a third sign - Case SI-2022-00495 / Project # PR-2022-006721, April 13, 2022

1. This application is a request for a Certificate of Appropriateness for a third sign for the Old Barrel Tea Company located at 2041 S. Plaza described as Tract 181, Map 38, original Old Town site, a property in the Old Town Historic Protection Overlay Zone, zoned MX-T.

2. The subject site is approximately 0.32 acres.

3. A third sign for the business is requested to be placed at the NW corner of Romero and S. Plaza.

4. The sign consists of an iron sandwich board sign frame with a painted chalkboard sign measuring 26” X 16”.

4. The IDO Section 14-16-6-6(D)(1) requires that all development and modification of structures in any HPO zone and all development or modification of a city landmark site first receive a Certificate of Appropriateness.
5. The IDO Section 14-16-6-6(D)(3)(a) states that a Certificate of Appropriateness shall be approved if “The change is consistent with Section 14-16-3-5 (Historic Protection Overlay Zones), the ordinance designating the specific HPO zone where the property is located, and any specific development guidelines for the landmark or the specific HPO zone where the property is located.”

6. The proposed work is consistent with the designation ordinance and complies with the relevant development guidelines for the historic zone as described in the staff report and in Findings 7 & 8 below.

7. The proposal is consistent with the Guidelines for Signage. The applicant has demonstrated the visibility issues with shop’s location making it eligible for a third sign.

8. The IDO Section 14-16-6-6(D)(3)(b) states that a Certificate of Appropriateness shall be approved if “The architectural character, historical value, or archaeological value of the structure or site itself or of any historic zone or urban conservation overlay zone in which it is located will not be significantly impaired or diminished”.

RECOMMENDATION

Case SI-2022-00495 / Project # PR-2022-006721, April 13, 2022

APPROVAL of Case SI-2022-00495 / Project # PR-2022-006721, an application for a Certificate of Appropriateness for a third sign, located at Old Barrel Tea Company 2041 S. Plaza, described as Map 38 Tract 181 R3E Sec 18, a property in the Old Town Historic Preservation Overlay Zone, based on the above eight (8) findings and subject to the following condition.

Recommended Conditions of Approval

1. Applicant is responsible to acquire, and approval is contingent upon, all applicable permits and related approvals.

Effective 5/17/18
SIGN POSTING AGREEMENT

REQUIREMENTS

POSTING SIGNS ANNOUNCING PUBLIC HEARINGS

All persons making application to the City under the requirements and procedures established by the City Zoning Code or Subdivision Ordinance are responsible for the posting and maintaining of one or more signs on the property which the application describes. Vacations of public rights-of-way (if the way has been in use) also require signs. Waterproof signs are provided at the time of application. If the application is mailed, you must still stop at the Development Services Front Counter to pick up the sign.

The applicant is responsible for ensuring that the signs remain posted throughout the 15-day period prior to public hearing. Failure to maintain the signs during this entire period may be cause for deferral or denial of the application. Replacement signs for those lost or damaged are available from the Development Services Front Counter at a charge of $3.75 each.

1. LOCATION
   A. The sign shall be conspicuously located. It shall be located within twenty feet of the public sidewalk (or edge of public street). Staff may indicate a specific location.
   B. The face of the sign shall be parallel to the street, and the bottom of the sign shall be at least two feet from the ground.
   C. No barrier shall prevent a person from coming within five feet of the sign to read it.

2. NUMBER
   A. One sign shall be posted on each paved street frontage. Signs may be required on unpaved street frontages.
   B. If the land does not abut a public street, then, in addition to a sign placed on the property, a sign shall be placed on and at the edge of the public right-of-way of the nearest paved City street. Such a sign must direct readers toward the subject property by an arrow and an indication of distance.

3. PHYSICAL POSTING
   A. A heavy stake with two crossbars or a full plywood backing works best to keep the sign in place, especially during high winds.
   B. Large headed nails or staples are best for attaching signs to a post or backing; the sign tears out less easily.

4. TIME
   Signs must be posted from March 30, 2022, to April 13, 2022.

5. REMOVAL
   A. The sign is not to be removed before the initial hearing on the request.
   B. The sign should be removed within five (5) days after the initial hearing.

I have read this sheet and discussed it with the Development Services Front Counter Staff. I understand (A) my obligation to keep the sign(s) posted for (15) days and (B) where the sign(s) are to be located. I am being given a copy of this sheet.

**PLEASE NOTE:** The ONC does not have any jurisdiction over any other aspect of your application beyond this neighborhood contact information. We can’t answer questions about sign postings, pre-construction meetings, permit status, site plans, buffers, or project plans, so we encourage you to contact the Planning Department at: 505-924-3857 Option #1, e-mail: devhelp@cabq.gov, or visit: https://www.cabq.gov/planning/online-planning-permitting-applications with those types of questions.

You will need to e-mail each of the listed contacts and let them know that you are applying for an approval from the Planning Department for your project. Please use this online link to find the required forms you will need to submit. https://www.cabq.gov/planning/urban-design-development/public-notice. The Checklist form you need for notifying neighborhood associations can be found here: https://documents.cabq.gov/planning/online-forms/PublicNotice/CABQ-Official_public_notice_form-2019.pdf. The Administrative Decision form you need for notifying neighborhood
associations can be found here: https://documents.cabq.gov/planning/online-forms/PublicNotice/Emailed-Notice-Administrative-Print&Fill.pdf

Once you have e-mailed the listed contacts in each neighborhood, you will need to attach a copy of those e-mails AND a copy of this e-mail from the ONC to your application and submit it to the Planning Department for approval.

If your application requires you to offer a neighborhood meeting, you can click on this link to find required forms to use in your e-mail to the neighborhood association(s):

http://www.cabq.gov/planning/urban-design-development/neighborhood-meeting-requirement-in-the-integrated-development-ordinance

If your application requires a pre-application or pre-construction meeting, please plan on utilizing virtual platforms to the greatest extent possible and adhere to all current Public Health Orders and recommendations. The health and safety of the community is paramount.

If you have questions about what type of notification is required for your particular project or meetings that might be required, please click on the link below to see a table of different types of projects and what notification is required for each:
