On May 11, 222 the Landmarks Commission voted to Approve Project # PR-2021-006235, SI-2021-01904, based on the following Findings and Conditions of Approval.

Findings for Approval:

1. The application is a request for a Certificate of Appropriateness for alterations at 301 Romero Street NW, described as Lot 186, Block 000, in the Old Town Historic Protection Overlay Zone (HPO-5), zoned MX-T.

2. The subject property is approximately 0.71 acres and contains the historic Charlie Mann Store/Old Town Basket Shop, a contributing building and Plaza Don Luis, a non-contributing building.

3. The application for a Certificate of Appropriateness is for changes made to Old Town Basket Shop, a contributing building in the Old Town Historic Protection Overlay Zone (HPO-5) without prior approval. The change includes:
   - Guardrail fencing was added to the first-floor area east of the Old Post Office building to create a new patio area for controlled outdoor alcohol sales as required by the State of New Mexico.

4. The application for a Certificate of Appropriateness is for changes made to Plaza Don Luis, a non-contributing building in the Old Town Historic Protection Overlay Zone (HPO-5) without prior approval. The changes include:
   - A new mural was added that is visible from Rio Grande Boulevard. A second mural was added that is visible from within Plaza Don Luis.
5. The IDO Section 14-16-6-6(D)(1) requires that all development and modification of structures in any HPO zone and all development or modification of a city landmark site first receive a Certificate of Appropriateness.

6. The IDO Section 14-16-6-6(D)(3)(a) states that a Certificate of Appropriateness shall be approved if “The change is consistent with Section 14-16-3-5 (Historic Protection Overlay Zones), the ordinance designating the specific HPO zone where the property is located, and any specific development guidelines for the landmark or the specific HPO zone where the property is located.”

7. Subject to the Conditions of Approval, the addition of the guardrails will be consistent with the designation ordinance. Subject to Condition of Approval #2, the proposed work will comply with the relevant development guidelines for the historic zone as described in the staff report.

8. Subject to the Conditions of Approval, the addition of the murals at Plaza Don Luis, a non-contributing building, will not be inconsistent with the designation ordinance. Subject to Condition of Approval #3, the proposed work will comply with the relevant development guidelines for the historic zone as described in the Staff report.

9. The architectural character and historical value of Old Town HPO-5 will not be significantly impaired or diminished, once the proposed corrections are made to the buildings.

Conditions of Approval:

1. Applicant is responsible to acquire, and approval is contingent upon, all applicable permits and related approvals.

2. Staff recommends that the gate at the south entrance should remain closed so that more patio tables/chairs may be placed in that location. The entrance to the outdoor patio area along Romero Street should have the entrance gates moved where the stars begin-terminate and that handrails be added in order for the guardrails to be ADA compliant. The relocation of the entrance guardrails will allow for the distinguishing features of the Old Town Basket Shop to be visible from the street.
