

ADDENDUM # 2

RFP for the purchase of a portion of the Rosenwald Building 320 Central Avenue SW

The City of Albuquerque received a formal RFP inquiry on November 27, 2017. The question asked by the potential Proposer and the response by the city are as follows:

Question:

Is there any additional information concerning the asbestos in the building other than the declaration in the appraisal and assessment report that it is present?

Response:

The City has no additional information concerning asbestos in the building other than what is listed in the appraisal and assessment report that are posted on the RFP project website.
