

## ADDENDUM # 2

### Albuquerque Skyline Competition RFP

---

Addendum #2 adds two exhibits to the RFP and addresses the question as to scoring in the situation a Proposer submits a proposal for multiple sites. If a Proposer is submitting proposals for multiple Subject Sites, then they must determine if their proposals for those separate sites are dependent on each other. If they are independent of each other, the Proposer must submit separate proposals for each site, and they will be scored separately. If they are dependent on each other, the Proposer must submit a single proposal for multiple sites, and the proposal will be scored as a single proposal. RFP 02-2017, Albuquerque Skyline Competition, is hereby amended as follows:

#### **Part I: Project Overview and Background, Section F. Offering of Subject Site A and/or Subject Site B**

The following language is hereby added to the section:

If a Proposer is submitting proposals for multiple Subject Sites, then they must determine if their proposals for those separate sites are dependent on each other. If they are independent of each other, the Proposer must submit separate proposals for each site, and they will be scored separately. If they are dependent on each other, the Proposer must submit a single proposal for multiple sites, and it will be scored as a single proposal.

#### **Part III: Proposer Submittal, Section E. Proposal Format and Requirements**

The following language is hereby be added to the section:

If a Proposer is submitting proposals for multiple Subject Sites, then they must determine if their proposals for those separate sites are dependent on each other. If they are independent of each other, the Proposer must submit separate proposals for each site, and they will be scored separately. If they are dependent on each other, the Proposer must submit a single proposal for multiple sites, and it will be scored as a single proposal.

#### **Part IV: Submittal Content, Section G. Project Details, 3 – Other Information**

The following language is hereby added to the section:

If a Proposer is submitting proposals for multiple Subject Sites, then they must state in this section if their proposals for those separate sites are dependent on each other. If they are independent of each other, the Proposer must submit separate proposals for each site,

and they will be scored separately. If they are dependent on each other, the Proposer must submit a single proposal for multiple sites, and it will be scored as a single proposal.

**Part V: Evaluation and Selection, Section C. Evaluation and Scoring**

The following language is hereby added to the section:

If a Proposer is submitting proposals for multiple Subject Sites, then they must determine if their proposals for those separate sites are dependent on each other. If they are independent of each other, the Proposer must submit separate proposals for each site, and they will be scored separately. If they are dependent on each other, the Proposer must submit a single proposal for multiple sites, and it will be scored as a single proposal.
