

ADDENDUM # 3

Albuquerque Skyline Competition RFP

The City of Albuquerque received a formal RFP inquiry on April 12, 2017. The question asked by the potential Proposer and the City's response are as follows:

Question:

Please provide the following for both Subject Site A and Subject Site B:

1. Boundary survey
2. Topographic map
3. Known encumbrances (utilities, easements, etc.)

Response:

1. The City has ordered ALTA surveys to be completed on both Subject Site A and Subject Site B. Both surveys will be posted on the project website once they are completed.
2. The City does not have any topographic maps for Subject Site A or Subject Site B and will not be having any produced.
3. The City has ordered ALTA surveys to be completed on both Subject Site A and Subject Site B. Both surveys will be posted on the project website once they are completed.
