1. This is a request to develop two office buildings and a light industrial building in three phases.
 1. Pursuant to 6-6(l)(3) Review and Decision Criteria An application for a Site Plan – DRB shall be approved if it meets all of the following criteria:
 - a. 6-6(l)(3)(a) The Site Plan complies with all applicable provisions of this IDO, the DPM, other adopted City regulations, and any conditions specifically applied to development of the property in a prior permit or approval affecting the property.

- b. 6-6(l)(3)(b) *The City's existing infrastructure and public improvements, including but not limited to its street, trail, drainage, and sidewalk systems, have adequate capacity to serve the proposed development, and any burdens on those systems have been mitigated to the extent practicable.*

The site has access to a full range of urban services including utilities, roads and emergency services. A Traffic Study was not required for this request.

2. Final sign off is delegated to Transportation for adjustment of on-street parking based on clear site distance.
3. Final sign off is delegated to Planning for a note indicating that any increase or change in use will require an amendment to the site plan order to change from storage use to auditorium use, to provide updated shared parking agreements, for the application number to be added to the amendment, and for final sign off.
4. The applicant will obtain final sign off from Transportation and Planning by January 6, 2021 or the case may be scheduled for the next DRB hearing and could be denied per the DRB Rules of Procedure.
