

Deferral Fees for DRB

We have not been requiring deferral fees during this public health emergency. We wanted to offer flexibility while we adjusted to this situation. We now have all of our processes worked out electronically.

Beginning August 1, 2020, we will begin enforcing the deferral fee. Please let us know if you have questions or concerns.

Supplemental Submittals

The deadline for supplemental submittals to address DRB comments is noon on Friday, unless noted on the DRB calendar. We need this time to review your submittal completely.

Please submit by noon on Friday using the resubmittal form and send to PLNDRS@cabq.gov. You can submit larger files via WeTransfer (<https://wetransfer.com/>), as we cannot receive email attachments larger than 9 MB in size.

Submittals received after the deadline will not be reviewed prior to the DRB meeting.
