Subject: EPC Project 2019-002353

Good morning Catalina,

Re: EPC Project #2019-002353 Request for a Deferral

As the new Agent for Land Development 8 LLC., I am officially requesting a deferral of our EPC case being heard on Thursday, August 8th for the next EPC Hearing date of September 12, 2019. I strongly feel that any request for a Zone Map Amendment needs to have the support of planning staff in order to proceed. I intend to provide a stronger justification that can garner a recommendation of approval at the September hearing. I know you are busy preparing for Thursdays hearing but I would like to meet with you next week to discuss this project moving forward. In the meantime, can you please send me your outline of comments that you previously provided so that I can review prior to our meeting.

Thank you and I look forward to working with you again,

All my best,
Angela
