To the Environmental Planning Commission:

In addition to my letter dated October 15, 2021, the Solid Waste Management Department would like to provide the Environmental Planning Commission (EPC) with a recent video taken of the Eagle Rock Convenience Center (ERCC) in operation. Due to its size, the video file is located on Dropbox at: <https://ddec1-0-en-ctp.trendmicro.com/wis/clicktime/v1/query?url=https%3a%2f%2fwww.dropbox.com%2f%2fsc1%2fAACajChCgBbmNvuV4QCmxzUbea3L60Jk2rE&umid=57ee5e0d-97c3-4d0e-b10f-2f46df9148d5&auth=307405480ca3e49a8b1deb4e49ca5cd244e7e096-2a076854051cf91286d64ead48c55d1fa018068d>. A link will also be provided in the accompanying email for convenient access to this video.

This video documents typical operations at ERCC, and hopefully serves to further inform the EPC on the zone change requested for an incompatible use (multi-family housing) for property located approximately 40 feet from the convenience center building shown in the video.

Respectfully,

Matthew Whelan, Director

Solid Waste Management Department
