HOPE CHRISTIAN SCHOOL (THE DESIGN GROUP, AGENT) requests a special exception to Section 14-16-3-19(A)(3)(a): a VARIANCE of 5 feet to the required 5 foot setback to allow a wall over 3 feet high for all or a portion of Lot A, Block 11, N ABQ ACRES TRACT A UNIT A zoned SU-1, located on 8001 LOUISIANA BLVD NE (D-18)

On the 19th day of December, 2017, THE DESIGN GROUP (“Agent”) acting as agent on behalf of the property owner HOPE CHRISTIAN SCHOOL (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a variance of 5 feet to the required 5 foot setback to allow a wall over 3 feet high (“Application”) on the real property located at 8001 Louisiana Boulevard (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a variance of 5 feet to the required 5 foot setback to allow a wall over 3 feet high.
2. The City of Albuquerque Zoning Code of Ordinances Section 14-16-4-2 (C)(2) (Special Exceptions – Variance) reads: “A variance application shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds all of the following:
   (a) The application is not contrary to the public interest or injurious to the community, or to property or improvements in the vicinity;
   (b) There are special circumstances applicable to the subject property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid;
   (c) Such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable zoning district; and
   (d) Substantial justice is done.”
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that Application is not: (i) contrary to the public interest, (ii) injurious to the community; or (iii) injurious to the property or improvements located in the vicinity as required by Section 14-16-4-2 (C)(2)(a).
5. Specifically, the ZHE finds that the proposed CMU wall will increase safety for the school children present on the Subject Property, offer protection both from vehicles and intruders.

6. There are substantial landscaped buffers and sidewalks along Louisiana and Paseo del Norte.

7. The ZHE finds that there are special circumstances applicable to the Subject Property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid, as required by Section 14-16-4-2(C)(2)(b).

8. Specifically, the ZHE finds that the existing site offers minimal separation from the building on the side to the western ROW line of Louisiana Blvd, with a drainage along the eastern edge of the Subject Property. There is also a grade change that needs to be accommodated within this narrow area.

9. Construction as requested will allow retaining of existing mature trees.

10. The ZHE finds that such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable district, as required by Section 14-16-4-2(C)(2)(c).

11. The ZHE finds that substantial justice will be done if this Application is approved, as required pursuant to Section 14-16-4-2 (C)(2)(d).

12. The ZHE finds that the proper “Notice of Hearing” signage was posted for the required time period as required by Section 14-16-4-2(B)(4).

13. The ZHE finds that the Applicant has authority to pursue this Application.

CONCLUSIONS OF LAW:

The criteria within Section 14-16-4-2(C)(2) of the Albuquerque Zoning Code are satisfied.
