On the 3rd day of January, 2017, LARRY W MEDRANO (“Agent”) acting as agent on behalf of the property owner DAVID GONZALES (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a variance of 1152 sq. ft to allow for two proposed lots at 6,000 sq. ft each (“Application”) upon the real property located at 1302 VAN CLEAVE RD NW (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a variance of 1152 sq. ft to allow for two proposed lots at 6,000 sq. ft each
2. The City of Albuquerque Zoning Code of Ordinances Section 14-16-4-2 (C)(2) (Special Exceptions – Variance) reads: “A variance application shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds all of the following:
   (a) The application is not contrary to the public interest or injurious to the community, or to property or improvements in the vicinity;
   (b) There are special circumstances applicable to the subject property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid;
   (c) Such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable zoning district; and
   (d) Substantial justice is done.”
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that Application is not: (i) contrary to the public interest, (ii) injurious to the community; or (iii) injurious to the property or improvements located in the vicinity as required by Section 14-16-4-2 (C)(2)(a).
5. Specifically, the ZHE finds that if the approval is conditioned as below it will not be contrary to the public interest or injurious. The proposed variance will not significantly impact neighborhood character, safety or standard of living. There is minimal resultant increase in intensity of use, noise or traffic.

6. In addition, the support of surrounding neighbors indicates the absence of potential injury to the surrounding area (negative comments were received but addressed during a hearing recess to the commenters’ apparent satisfaction).

7. The amount of the variance is no more than is necessary to overcome the unnecessary hardship. Development Process Manual, Ch. 11.

8. The ZHE finds that there are special circumstances applicable to the Subject Property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid, as required by Section 14-16-4-2(C)(2)(b).

9. The ZHE finds that such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable district, as required by Section 14-16-4-2(C)(2)(c).

10. The ZHE finds that substantial justice will be done if this Application is approved, as required pursuant to Section 14-16-4-2 (C)(2)(d).

11. The ZHE finds that the proper “Notice of Hearing” signage was posted for the required time period as required by Section 14-16-4-2(B)(4).

12. The ZHE finds that the Applicant has authority to pursue this Application.

**CONCLUSIONS OF LAW:**

The criteria within Section 14-16-4-2(C)(2) of the Albuquerque Zoning Code are satisfied.

**DECISION:**

**CONDITIONS OF APPROVAL:**

1. Applicant shall preserve and protect the two mulberry trees along the northern property line of the Subject Property.
2. Applicant shall preserve and protect the cholla cactus in the southeast corner of the Subject Property.

If you wish to appeal this decision, you must do so by February 2, 2017, in the manner described below. A non-refundable filing fee will be calculated at the Planning

outlining the reason for appeal and a copy of the ZHE decision. Appeals are
taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning
Application Counter located on the west side of the lobby. Please present this

Comprehensive Zoning Code, you must demonstrate that you have legal standing
to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal,
you can receive building permits any time after the appeal deadline quoted above,
provided all conditions imposed at the time of approval have been met. However,
the Zoning Hearing Examiner may allow issuance of building permits if the
public hearing produces no objection of any kind to the approval of an
application. To receive this approval, the applicant agrees in writing to return the
building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be
complied with, even after approval of a special exception is secured. This
decision does not constitute approval of plans for a building permit. If your
application is approved, bring this decision with you when you apply for any
related building permit or occupation tax number.
Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
