On the 20th day of June, 2017, MARK RHODES (“Agent”) acting as agent on behalf of the property owner DOS VIENTOS LLC (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a conditional use to allow the retail sale of alcoholic beverage in a M-1 zone (“Application”) upon the real property located at 523 COMMERCIAL ST NE (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a conditional use to allow the retail sale of alcoholic beverage in a M-1 zone.
2. The City of Albuquerque Code of Ordinances Section 14-16-4-2(C)(1) (Special Exceptions – Conditional Use) reads: “A conditional use shall be approved if and only if, in the circumstances of the particular case and under conditions imposed, the use proposed:
   (a) Will not be injurious to the adjacent property, the neighborhood, or the community;
   (b) Will not be significantly damaged by surrounding structures or activities.
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that in the proposed use will not be injurious to the adjacent property, the neighborhood, or the community as required by Section 14-16-4-2(C)(1)(a).
5. Specifically, the ZHE finds that Applicant intends a tasting room for sampling the products of local distilleries.
6. Applicant plans an adaptive reuse of a currently vacant warehouse, in conjunction with the Applicant’s redevelopment or reuse of surrounding properties.
7. Applicant explains that the operator of the tasting room will take reasonable efforts to ensure that it runs a safe and responsible business, avoiding potential detrimental or injurious impacts on the surrounding area.
8. The proposed use furthers the goals of the Central Urban Comprehensive Plan area (i.e., redevelopment of public, cultural and arts facilities in private/public partnership, upgrading effort targeted at activity centers).
9. The Citizens Information Committee of Martineztown submitted written comments stating that the Application “will greatly enhance our community’s 45 year efforts to ensure development to our West has a positive impact and compliments the surrounding area. The proposed project will be a significant addition to the area and an example of adaptive redevelopment.”
10. Support of neighborhood organizations such as this is further evidence of the lack of injury. No comments in opposition were received, and no one appeared at the hearing to speak on opposition to the Application.
11. The proposed use does not appear to present dangers of unreasonably increased traffic, noise, parking impacts or other injury.
12. The ZHE finds that in the proposed use will not be significantly damaged by surrounding structures or activities as required by Section 14-16-4-2(C)(1)(b).
13. The ZHE finds that the proper “Notice of Hearing” signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
14. The ZHE finds that the Applicant has authority to pursue this Application.

DECISION:

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
