

CITY OF ALBUQUERQUE
OFFICE OF ADMINISTRATIVE HEARINGS
ZONING HEARING EXAMINER
NOTIFICATION OF DECISION

AARON MURRAY requests a special exception to Section 14-16-3-3(B)(2)(e) : a VARIANCE of 7 in to the required 5 ft separation to allow existing accessory structures for all or a portion of Lot 19-P1, Block 2, Buena Vista Estates Unit 2 zoned SU-2 RD or SU-2 LMDR, located on 8500 RANCHO MIRAGE DR NE (C-18)

Special Exception No:..... **17ZHE-80187**
Project No: **Project# 1011333**
Hearing Date: 10-17-17
Closing of Public Record: 10-17-17
Date of Decision: 11-01-17

On the 17th day of October, 2017, AARON MURRAY (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a variance of 7 in to the required 5 ft separation to allow existing accessory structures (“Application”) upon the real property located at 8500 RANCHO MIRAGE DR NE (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a variance of 7 in to the required 5 ft separation to allow existing accessory structures.
2. The City of Albuquerque Zoning Code of Ordinances Section 14-16-4-2 (C)(2) (Special Exceptions – Variance) reads: “*A variance application shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds all of the following:*
 - (a) *The application is not contrary to the public interest or injurious to the community, or to property or improvements in the vicinity;*
 - (b) *There are special circumstances applicable to the subject property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid;*
 - (c) *Such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable zoning district; and*
 - (d) *Substantial justice is done.*”
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The Applicant identifies the special circumstances as the shape and topography of the Subject Property.

5. The Subject Property has a trapezoidal shape, which is shared by a number of other properties in the development bounded by Wilshire Ave NE, Louisiana Blvd. NE, Corona Ave NE and San Pedro Drive NE, as shown on Zone Atlas Page C-18-Z.
6. Therefore, I cannot find that the shape of the Subject Property is a circumstance that does not apply generally to other property in the same zone and vicinity.
7. The Applicant states that the Subject Property has an approximately 10 to 15-foot grade change.
8. A review of the photographs and testimony in the record shows that the lot itself is substantially flat, with a small retaining wall, planting bed, and then large retaining wall along its rear lot line.
9. This circumstance again appears to be shared by at least the immediately neighboring properties.
10. Moreover, given the manner in which the sloping topography was flattened by the retaining walls, the record does not reflect that the topography creates a substantial and unjustified limitation on the reasonable use and return of the property.
11. Therefore, I cannot find that special circumstances exist, and cannot grant a variance.
12. Determination of the other factors under Section 14-16-4-2 is unnecessary.

CONCLUSIONS OF LAW:

The criteria within Section 14-16-4-2(C)(2) of the Albuquerque Zoning Code have not been satisfied.

DECISION:

DENIAL of a variance of 7 in to the required 5 ft separation to allow existing accessory structures.

If you wish to appeal this decision, you must do so by November 16th, 2017, in the manner described below. A non-refundable filing fee will be calculated at the Planning Department's Land Development Coordination counter and is required at the time the Appeal is filed.

A filing fee of \$105.00 shall accompany each appeal application, as well as a written explanation outlining the reason for appeal and a copy of the ZHE decision. Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. **Please present this letter of notification when filing an appeal.** When an application is withdrawn, the fee shall not be refunded.

An appeal shall be heard by the Board of Appeals within 45 days of the appeal period and concluded within 75 days of the appeal period. Please note that pursuant to Section 14.16.4.4.(B), of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
