On the 17th day of October, 2017, GARRETT SMITH (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a conditional use to allow an accessory living quarters (“Application”) upon the real property located at 2903 CAMILO LA NW (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a conditional use to allow an accessory living quarters.
2. The City of Albuquerque Code of Ordinances Section 14-16-4-2(C)(1) (Special Exceptions – Conditional Use) reads: *“A conditional use shall be approved if and only if, in the circumstances of the particular case and under conditions imposed, the use proposed:*
 - (a) *Will not be injurious to the adjacent property, the neighborhood, or the community;*
 - (b) *Will not be significantly damaged by surrounding structures or activities.*
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that the proposed use will not be injurious to the adjacent property, the neighborhood, or the community as required by Section 14-16-4-2(C)(1)(a).
5. The proposed accessory living quarters are a reasonable use of the Subject Property.
6. They will not result in any significantly increased impacts, will not result in any change in the fundamental character or use of the Subject Property or detrimental impact to neighborhood character or security, and will not produce objectionable noise, light, odors or other impacts.
7. Parking on site is adequate.
8. The support of numerous surrounding property owners and residents indicates a consensus that the use will not be injurious.
9. The Los Duranes Neighborhood Association does not oppose the Application.
10. The ZHE finds that the proposed use will not be significantly damaged by surrounding structures or activities as required by Section 14-16-4-2(C)(1)(b).
11. The ZHE finds that the proper “Notice of Hearing” signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
12. The ZHE finds that the Applicant has authority to pursue this Application.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit.

If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
