On the 16th day of October, 2018, Douglas Martinez, agent for property owner Village Creek Pearl LLC (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a variance of 3 ft to the 3 ft max wall height in the front and street side yard (“Application”) upon the real property located at 5600 Gibson SE (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a variance of 3 ft to the 3 ft max wall height in the front and street side yard.
2. The City of Albuquerque Integrated Development Ordinance Section 14-16-6-6(N)(3)(c) Variance for a Taller Front or Side Yard Wall reads: “A variance application for a taller front or side yard wall shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds all of the following:
   (1) The proposed wall would strengthen or reinforce the architectural character of the surrounding area;
   (2) The proposed wall would not be injurious to adjacent properties, the surrounding neighborhood, or the larger community;
   (3) The wall is proposed on a lot that meets any of the following criteria:
      a. The lot is at least ½ acre;
      b. The lot fronts a street designated as a collector or above in the LRTS guide;
      c. At least 20 percent of the properties within 330 feet of the lot where the wall or fence is being requested have a wall or fence over 3 feet in the front yard.
   (4) The design of the wall complies with any applicable standard in Section 14-16-5-7 (Walls and Fences), including, but not limited to Subsection 14-16-5-7(E)(2) (Articulation and alignment) and Subsection 14-16-5-7(E)(3) (Wall Design), and all of the following:
      a. The wall or fence shall not block the view of any portion of any window on the front façade of the primary building when viewed from 5 feet above ground level at the centerline of the street in front of the house.
      b. The design and materials proposed for the wall or fence shall reflect the architectural character of the surrounding area.
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-6-6(N)(3)(c).
4. Douglas Martinez, agent for owner appeared and gave evidence in support of the application.
5. All property owners within 100 feet and affected neighborhood association were notified of the application.
6. The subject property is currently zoned R-ML.
7. Siesta Hills Neighborhood Association, Elder Homestead Neighborhood Association, and South San Pedro Neighborhood Association, are the affected NA’s.
8. Decorative wrought iron fences are commonly installed in commercial settings throughout the City of Albuquerque.
9. The proposed fence would be aesthetically similar to a number of nearby properties in the surrounding area.
10. Photographs were submitted showing similar fences at Home @ Valencia, Mr. B’s Paint & Body, and the VA Hospital parking lot.
11. Crime against property and persons have been a problem affecting the subject apartment complex.
12. A number of exhibits were submitted showing the crime problem and written complaints of renters leaving the subject apartment, because of the problems with crime.
13. The subject lot for the proposed wall is at least ½ acre in size
14. The subject property address is 5400 Gibson Boulevard SE.
15. The subject lot fronts a street that is designated as a collector or above in the LRTS Guide.
16. The proposed fence would assist in defining property lines.
17. The proposed fence would help deter crime to the tenants in the subject apartment on the subject property.
18. Transportation reported conditional approval of the application, as long as Applicant does not build the block portion of the proposed wall where the design will impair the view above 3 feet within the clear site triangle.
19. Any proposed wall design shall not violate the clear sight triangle as required by transportation.
20. No one appeared in opposition to the application.
21. Any proposed wall design shall not violate the clear sight triangle as required by transportation.
22. The proposed wall would strengthen or reinforce the architectural character of the surrounding area as required by Section 14-16-6-6(N)(3)(c)(1).
23. The proposed wall would not be injurious to adjacent properties, the surrounding neighborhood, or the larger community as required by Section 14-16-6-6(N)(3)(c)(2).
24. The subject lot is ½ acre or larger and is fronted on a collector street or greater as required by Section 14-16-6-6(N)(3)(c)(3). The design of the wall complies with any applicable standard in Section 14-16-5-7 (Walls and Fences) including, but not limited to Subsection 14-16-5-7(E)(2) (Articulation and alignment) and Subsection 14-16-5-7(E)(3) (Wall Design), and all of the following:
   a. The wall or fence shall not block the view of any portion of any window on the front façade of the primary building when viewed from 5 feet above ground level at the centerline of the street in front of the house.
   b. The design and materials proposed for the wall or fence shall reflect the architectural character of the surrounding area.
25. The ZHE finds that the proper “Notice of Hearing” signage was posted for the required time period as required by Section 14-16-6-4(K)(3).
26. The ZHE finds that the Applicant has authority to pursue this Application.
CONCLUSIONS OF LAW:

The criteria within Section 14-16-4-2(C)(2) of the Albuquerque Zoning Code are satisfied.

DECISION:

APPROVAL of a variance of 3 ft to the 3 ft max wall height in the front and street side yard.

The design of the fence shall comply with the Specific-use standards for walls and fences, Section 14-16-5-7(A) through (E).

If you wish to appeal this decision, you must do so by November 15, 2018 in the manner described below. A non-refundable filing fee will be calculated at the Planning Department’s Land Development Coordination counter and is required at the time the Appeal is filed.

Appeal must be filed with the Planning Department within 15 days after the decision. The appeal shall specifically state the section of the Integrated Development Ordinance, City regulation, or condition attached to a decision that has not been interpreted correctly, as required by Section 14-16-6-4(U)(3)(a)(3) of the Integrated Development Ordinance. Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. Please present this letter of notification when filing an appeal. When an application is withdrawn, the fee shall not be refunded.

Once an appeal is accepted by the Planning Department, it shall prepare and transmit a record of the appeal together with all appeal material received from the appellant to impacted parties and to the Land Use Hearing Officer (LUHO) through the Clerk of the City Council.

The LUHO shall then schedule a hearing on the matter within 30 consecutive days of receipt and notify the parties, pursuant to Section 14-16-6-4(U)(3)(d).

The Planning Department shall give written notice of an appeal, together with a notice of the date, time and place of the hearing to the applicant, a representative of the opponents, if any are known, and the appellant.

Please note that pursuant to Section 14-16-6-4(U), of the Integrated Development Ordinance, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above; provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.
Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
