NOTIFICATION OF DECISION

RICHARD HOLETS requests a special exception to Section 14-16-2-6(E)(3)(b): a VARIANCE of 5 feet to the required 10 foot corner side yard setback for all or a portion of Lot 13 P-1, Block 7, Saltillo Unit 2 zoned R-1, located on 10805 ESMERALDA DR NW (A-10)

Special Exception No:..... **18ZHE-80056**
Project No:..... **Project# 1011549**
Hearing Date: 04-17-2018
Closing of Public Record: 04-17-2018
Date of Decision: 05-02-2018

On the 17th day of April, 2018 RICHARD HOLETS (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a variance of 5 feet to the required 10 foot corner side yard setback (“Application”) upon the real property located at 10805 ESMERALDA DR NW (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a variance of 5 feet to the required 10 foot corner side yard setback.
2. The City of Albuquerque Zoning Code of Ordinances Section 14-16-4-2 (C)(2) (Special Exceptions – Variance) reads: “A *variance application shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds all of the following:*
 - (a) *The application is not contrary to the public interest or injurious to the community, or to property or improvements in the vicinity;*
 - (b) *There are special circumstances applicable to the subject property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid;*
 - (c) *Such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable zoning district; and*
 - (d) *Substantial justice is done.*”
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that Application is not: (i) contrary to the public interest, (ii) injurious to the community; or (iii) injurious to the property or improvements located in the vicinity as required by Section 14-16-4-2 (C)(2)(a).
5. The proposed design is attractive and in harmony with the existing improvements on the Subject Property.

6. The location of the structure will not interfere with the views, light, access or streetscape.
7. The proposed setback variance has been approved by several neighbors and the HOA architectural control committee, further indicating a lack of injury.
8. The ZHE finds that there are special circumstances applicable to the Subject Property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid, as required by Section 14-16-4-2(C)(2)(b).
9. Specifically, the ZHE finds that exposure to McMahan Boulevard creates significant noise, light and privacy intrusions for the Subject Property.
10. An additional circumstance is the covenants which require accessory structures to have parapets matching the residence, which results in the structure being above the 10' height which triggers a variance.
11. The ZHE finds that such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable district, as required by Section 14-16-4-2(C)(2)(c).
12. The impacts identified above can be alleviated by granting the variance, thus avoiding such limitations.
13. In addition, there is a gate that will line up with the garage door of the proposed structure, and a different location would require partial demolition and reconstruction of the wall.
14. The ZHE finds that substantial justice will be done if this Application is approved, as required pursuant to Section 14-16-4-2 (C)(2)(d).
15. The ZHE finds that the proper "Notice of Hearing" signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
16. The ZHE finds that the Applicant has authority to pursue this Application.

CONCLUSIONS OF LAW:

The criteria within Section 14-16-4-2(C)(2) of the Albuquerque Zoning Code are satisfied.

DECISION:

APPROVAL of a variance of 5 feet to the required 10 foot corner side yard setback.

If you wish to appeal this decision, you must do so by May 17, 2018, in the manner described below. A non-refundable filing fee will be calculated at the Planning Department's Land Development Coordination counter and is required at the time the Appeal is filed.

A filing fee of \$105.00 shall accompany each appeal application, as well as a written explanation outlining the reason for appeal and a copy of the ZHE decision. Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. **Please present this letter of notification when filing an appeal.** When an application is withdrawn, the fee shall not be refunded.

An appeal shall be heard by the Board of Appeals within 45 days of the appeal period and concluded within 75 days of the appeal period. Please note that pursuant to Section 14. 16. 4. 4. (B), of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
