Special Exception No: .......... 18ZHE-80114
Project No: ..................... Project# 1011624
Hearing Date: ...................... 06-19-2018
Closing of Public Record: ...... 06-19-2018
Date of Decision: ................. 07-04-2018

On the 19th day of June, 2018, property owner BRYAN LEE (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a variance of 3 ft to the required 15 ft front yard setback (“Application”) upon the real property located at 10101 NORMAN AVE NE (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a variance of 3ft to the required 15ft front yard setback
2. The City of Albuquerque Zoning Code of Ordinances Section 14-16-4-2(C)(2) (Special Exceptions – Variance) reads: “A variance application shall be approved by the Zoning Hearing Examiner, if and only if, the Zoning Hearing Examiner finds all of the following:
   (a) The application is not contrary to the public interest or injurious to the community, or to property or improvements in the vicinity;
   (b) There are special circumstances applicable to the subject property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid;
   (c) Such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable zoning district; and
   (d) Substantial justice is done.”
3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).
4. The ZHE finds that Application is not: (i) contrary to the public interest, (ii) injurious to the community; or (iii) injurious to the property or improvements located in the vicinity as required by Section 14-16-4-2 (C)(2)(a).
5. Applicant intends to enlarge an existing ½ garage into a full size garage.
6. The addition will be constructed in a similar style.
7. There is no aspect of the proposal that is contrary to the public interest or that appears liable to cause injury to the community, or to property or improvements in the vicinity.
8. The construction will not disturb the existing plantings.
9. No written comments in opposition to the Application were received, and no one appeared at the hearing to testify in opposition to the Application. The ZHE takes the lack of opposition as an indication that the Application will not prove injurious.
10. The ZHE finds that there are special circumstances applicable to the Subject Property which do not apply generally to other property in the same zone and vicinity such as size, shape, topography, location, surroundings, or physical characteristics created by natural forces or government action for which no compensation was paid, as required by Section 14-16-4-2(C)(2)(b).
11. Specifically, the ZHE finds that the existing garage is substandard, at 11’ long.
12. The ZHE finds that such special circumstances were not self-imposed and create an unnecessary hardship in the form of a substantial and unjustified limitation on the reasonable use or return on the property that need not be endured to achieve the intent and purpose of the Zoning Code (§14-16-1-3) and the applicable district, as required by Section 14-16-4-2(C)(2)(c).
13. The ZHE finds that substantial justice will be done if this Application is approved, as required pursuant to Section 14-16-4-2 (C)(2)(d).
14. The ZHE finds that the proper “Notice of Hearing” signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
15. The ZHE finds that the Applicant has authority to pursue this Application.

CONCLUSIONS OF LAW:

The criteria within Section 14-16-4-2(C)(2) of the Albuquerque Zoning Code are satisfied.
