On the 15th day of May, 2018, DREAMSTYLE REMODELING (“Agent”) acting as agent on behalf of the property owner MATTHEW MCDONOUGH (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a conditional use to allow a patio cover within the rear yard setback (“Application”) upon the real property located at 2428 WEXFORD ST NW (“Subject Property”). Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a conditional use to allow a patio cover within the rear yard setback.

2. The City of Albuquerque Code of Ordinances Section 14-16-4-2(C)(1) (Special Exceptions – Conditional Use) reads: “A conditional use shall be approved if and only if, in the circumstances of the particular case and under conditions imposed, the use proposed:
   (a) Will not be injurious to the adjacent property, the neighborhood, or the community;
   (b) Will not be significantly damaged by surrounding structures or activities.

3. The Applicant bears the burden of ensuring there is evidence in the record supporting a finding that the above criteria are met under Section 14-16-4-2(C).

4. The ZHE finds that the proposed use will not be injurious to the adjacent property, the neighborhood, or the community as required by Section 14-16-4-2(C)(1)(a).

5. Pursuant to Section 14-16-2-6(B)(12), the proposed use meets the following criteria:
   a. No part of the proposed structure is within three feet of a property line.
   b. No building wall will ever be built within the required setback area.
   c. No more than 50% of the required rear yard setback area will be covered by a roof.
   d. The proposed structure will not exceed 12 feet in height or the height of the residence.
   e. No second floor deck will be constructed.
The proposed structure will be attractively designed to be compatible with the residence and constructed from durable materials including wood-embossed aluminum.

6. The ZHE finds that the proposed use will not be significantly damaged by surrounding structures or activities as required by Section 14-16-4-2(C)(1)(b).
7. The ZHE finds that the proper “Notice of Hearing” signage was posted for the required time period as required by Section 14-16-4-2(B)(4).
8. The ZHE finds that the Applicant has authority to pursue this Application.

**DECISION:**

APPROVAL of a conditional use to allow a patio cover within the rear yard setback.

If you wish to appeal this decision, you must do so by June 14, 2018, in the manner described below. A non-refundable filing fee will be calculated at the Planning Department’s Land Development Coordination counter and is required at the time the Appeal is filed.

Appeal is to the Board of Appeals within 15 days of the decision. A filing fee of $105.00 shall accompany each appeal application, as well as a written explanation outlining the reason for appeal and a copy of the ZHE decision. Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. **Please present this letter of notification when filing an appeal.** When an application is withdrawn, the fee shall not be refunded.

An appeal shall be heard by the Board of Appeals within 45 days of the appeal period and concluded within 75 days of the appeal period. The Planning Division shall give written notice of an appeal, together with a notice of the date, time and place of the hearing to the applicant, a representative of the opponents, if any are known, and the appellant.

Please note that pursuant to Section 14.16.4.4 (B), of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision
does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
