NOTIFICATION OF DECISION

REQUEST FOR EXTENSIONS OF PERIOD OF VALIDITY FOR THE FOLLOWING:

Special Exception No: VA-2019-00299
Project No: PR-2019-002824
Original Hearing Date: October 15, 2019
Closing of Original Public Record: October 15, 2019
Date of Original Decision: October 30, 2019

On the 23rd day of October 2020, Consensus Planning, agent for property owner Homes Direct (“Applicant”), filed a written request for a time extension on the approved application listed above.

Below are the ZHE’s findings of fact and decision:

FINDINGS:

1. Applicant is requesting a time extension on the approved applications listed above.
2. The City of Albuquerque Integrated Development Ordinance (IDO) Section 14-16-6-4(W)(4)(a) (Extensions of Period of Validity) reads:
 1. *For each permit or approval for which Table 6-4-4 shows an expiration period, except an Impact Fee Assessment or a Site Plan, the original decision-making body may approve 1 extension of validity for a time not to exceed the original period of validity for that permit or approval for good cause shown, provided that all of the following requirements are met:*
 - a. *The applicant or property owner files a written request for the time extension before the expiration of the original permit or approval with the Planning Director.*
 - b. *The extension is considered and a decision made via the same procedure required for the initial approval, except that no public hearing shall be required.*
 2. *If an application to extend the validity of a permit or approval listed in Table 6-4-4 is received before the permit or approval expires, but the body authorized to grant an extension does not meet between the date of the application and the date on which the permit or approval expires, the period of validity shall automatically be extended until the next meeting date of the body authorized to grant an extension.*

3. *Impact Fee Assessments and Sign Permits for electronic signs may not be extended.*
3. Applicant filed its written request before expiration of the original approvals, because the original approvals were set to expire on October 30, 2020, and Applicant filed the written request on October 23, 2020.
 4. Applicant's request for extension was considered and made upon the same procedure required for the initial approvals, except that no public hearing is required, consistent with and pursuant to IDO Section 14-16-6-4(W)(4)(a)(1)(b).
 5. Applicant has demonstrated good cause for the requested extension: extenuating circumstances related to the COVID-19 pandemic have necessitated the requested extension.
 6. Applicant's application satisfies the requirements of IDO Section 14-16-6-4(W)(4)(a), cited above.

DECISION:

Dated as of October 28, 2020

APPROVAL of the request for a time extension of one (1) year (to October 30, 2021) on the approved application listed above.
