Cindy Pacheco (Agent, Gilbert Austin) requests a permit to allow a carport in the required side setback for Lot 18, Block 66, Snow Heights Addn, located at 2424 Morris St NE, zoned R-1B [Section 14-16-5-5(F)(2)]

On the 15th day of June, 2021, Gilbert Austin, agent for property owner Cindy Pacheco (“Applicant”) appeared before the Zoning Hearing Examiner (“ZHE”) requesting a permit to allow a carport in the required side setback (“Application”) upon the real property located at 2424 Morris St NE (“Subject Property”). Below are the ZHE’s finding of fact and decision:

FINDINGS:

1. Applicant is requesting a permit to allow a carport in the required side setback.
2. The City of Albuquerque Integrated Development Ordinance Section 14-16-6-6(L)(3)(d), regarding carport permits lists the following requirements:
   a. The proposed carport would strengthen or reinforce the architectural character of the surrounding area.
   b. The proposed carport would not be injurious to adjacent properties, the surrounding neighborhood, or the larger community.
   c. The design of the carport complies with the provisions in Subsection 14-16-5-5(F)(2)(a)2 (Carports).
   d. No carport wall is a hazard to traffic visibility, as determined by the Traffic Engineer.
   e. The carport is not taller than the primary building on the lot.
3. The applicant bears the burden of providing a sound justification for the requested decision, based on substantial evidence, pursuant to IDO Section 14-16-6-4(E)(3).
4. The applicant bears the burden of showing compliance with required standards through analysis, illustrations, or other exhibits as necessary, pursuant to IDO Section 14-16-6-4(E)(4).
5. All property owners within 100 feet and affected neighborhood associations were notified of the application.
6. Agent appeared and gave evidence in support of the application.
7. Applicant has met its burden of providing evidence that establishes that the proposed carport would strengthen or reinforce the architectural character of the surrounding area. Specifically, Applicant submitted evidence that the design of the carport comports with that of the residence on site and is in harmony with architecture of neighboring properties.
8. Applicant has met its burden of providing evidence that establishes that the proposed carport would not be injurious to adjacent properties, the surrounding neighborhood, or
the larger community. Specifically, Applicant submitted evidence that the carport would not impact views from adjacent properties and that no water from the carport would flow onto adjacent properties.

9. Applicant has met its burden of providing evidence that establishes that the design of the proposed carport complies with IDO Subsection 14-16-5-5(F)(2)(a)(2) (Carports). Applicant submitted evidence confirming the same.

10. The City Traffic Engineer issued a report indicating no objection to the proposed carport.

11. Applicant has met its burden of providing evidence that establishes that the proposed carport is not taller than the primary building on the lot. Specifically, Applicant submitted evidence that the top of the carport would be lower than the primary residence on the lot.

DECISION:

APPROVAL of a permit to allow a carport in the required side setback.

APPEAL:

If you wish to appeal this decision, you must do so by July 15, 2021 pursuant to Section 14-16-6-4(U), of the Integrated Development Ordinance, you must demonstrate that you have legal standing to file an appeal as defined.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed, or utilized.
