1-37-1 Purpose

The purpose of this policy is to safely assist individuals living with behavioral health issues or who are experiencing behavioral health crises, including mental illness, a mental disability, or substance use disorders, by connecting them with available services through comprehensive collaboration among law enforcement and the community, and through specialized responses and training. Crisis Intervention Division (CID) personnel continually use data to improve outcomes of these interactions.

1-37-2 Policy

It is the policy of the Albuquerque Police Department (Department) to establish and support CID personnel with the goal of developing programs that assist individuals with a history of behavioral health issues. This assistance is designed to communicate clearly the options available to patrol sworn personnel who are among Department personnel who most frequently interact with individuals living with behavioral health issues or who are experiencing behavioral health crises.

A. Crisis Intervention Division (CID)

The CID is comprised of Crisis Intervention Unit (CIU) Detectives, Mobile Crisis Team (MCT) sworn personnel, crisis clinicians, a licensed psychiatrist, and data analysts. The CID is responsible for the overall administration and goals of the Crisis Intervention Team (CIT) and the Enhanced Crisis Intervention Team (ECIT) programs. The CID is the Department's liaison to the Mental Health Response Advisory Committee (MHRAC).

B. Crisis Intervention Team (CIT) Coordinators

The Coordinators are Detectives within CIU who act as a liaison with mental health stakeholders and the Department to ensure the success of the CIT Program. These Detectives have the responsibility of developing and providing all behavioral health training in the Department.

C. Crisis Intervention Team (CIT) Program

The CIT Program is a community-based program designed to improve the way the Department and the community respond collaboratively to individuals experiencing behavioral health crises. The CIT Program is built on strong partnerships among the Department, behavioral health provider agencies, community-based organizations, individuals, and families of individuals living with behavioral health issues or who are experiencing behavioral health crises.

D. Crisis Intervention Trained Officer (CITO)

A CITO is an officer who has successfully completed the forty (40) hours basic crisis intervention training.

E. Crisis Intervention Unit Clinician (CIC)

A clinician who is a qualified mental health professional who provides evaluations, completes general psychological assessments, assists in crisis intervention, conducts dangerousness assessments, assists with safety planning, and makes referrals for individuals in the community living with behavioral health issues who interact with Department personnel.

F. Enhanced Crisis Intervention Team (ECIT)

The Enhanced Crisis Intervention Team (ECIT) is comprised of specially-trained, uniformed sworn personnel who function as specialists to respond to calls involving individuals affected by behavioral health disorders or who are experiencing behavioral health crises.

G. Mental Health Response Advisory Committee (MHRAC)

The MHRAC is comprised of subject matter experts from within the community, including Department personnel. MHRAC assists the Department in identifying and developing mental health resources, solutions to behavioral health crises, and emergency intervention strategies designed to improve outcomes for individuals living with behavioral health issues or who are experiencing behavioral health crises. The MHRAC reviews, analyzes, and recommends appropriate changes to Department policies, procedures, and training methods regarding Department personnel's interactions with individuals in behavioral health crises, affected by a behavioral health issue, or who are experiencing chronic homelessness.

H. Mobile Crisis Team (MCT)

The MCT is a two (2) person unit comprised of one (1) licensed mental health professional and one (1) ECIT officer who jointly respond to calls with a behavioral health component. It provides immediate behavioral health services once the scene is secure. MCTs are trained to complement the ECIT and CIU.

CIT Program

A. The CIT Program consists of three (3) core components that are defined below:

1. Inclusive Collaboration;
2. Training; and
3. Tiered Response, consistent with SOP Response to Behavioral Health Issues.

B. Inclusive Collaboration

1. The Department's CIT Program collaborates with community partners and the MHRAC to strengthen the Department's response to individuals with behavioral health issues or who are experiencing behavioral health crises. The Program also seeks to address and minimize the stigma associated with behavioral health issues. The Program includes:
 - a. Ongoing partnerships among Department personnel, other law enforcement agencies, advocacy groups, peers, and the behavioral health community; and
 - b. MHRAC and community feedback in policy and training development.

C. Training

1. CIT training promotes community collaboration and community policing. The CID, primarily through the CIU coordinators, collaborates with MHRAC and other community partners to develop ongoing training tailored to the Department personnel supporting the CIT Program. Training shall be conducted by a

service providers, and similar groups. MHRAC shall appoint members to serve on the committee.

- B. Department personnel shall cooperate with and support MHRAC's operations.
1. The CID Commander shall designate Department personnel to attend MHRAC meetings regularly, to facilitate communication among collaborators, and to provide support needed for MHRAC's functions.
 2. Other Department personnel shall attend MHRAC meetings as requested by MHRAC to provide more information regarding the Department's policies, procedures, training, and performance.
 3. The CID Commander, in conjunction with the data analysts, shall produce regular reports for MHRAC concerning the activities of CIU, and provide data regarding interactions between sworn personnel and individuals affected by behavioral health crises or who are experiencing behavioral health crises. The CID Commander and data analysts shall work with MHRAC chairs and subcommittee chairs to gather requested data for MHRAC's review and analysis.
 4. Other Department personnel shall provide data to MHRAC that is subject to public disclosure upon MHRAC's request. If there are any concerns about the propriety of releasing certain information, the personnel shall work with the Department's legal advisor and the MHRAC chair(s) to handle the data request appropriately.
 5. Department personnel shall communicate with MHRAC in between meetings via email. Policy and training revisions for comment shall also be distributed via the MHRAC Board member email group. MHRAC members will share their policy recommendations with the CID Commander via email, and with the Policy and Procedure Unit electronically. Policy recommendations should include the section number and content of the recommendations.
- C. Upon the request of MHRAC, the CID Commander shall forward MHRAC's recommendations to City personnel outside of the Department regarding City response strategies for interacting with chronically-homeless individuals or individuals affected by behavioral health crises or who are experiencing behavioral health crises.
- D. The Deputy Chief of the Field Services Bureau shall work with all divisions and units across the Department to ensure that MHRAC's recommendations are evaluated by Department personnel and incorporated into policies and procedures. The recommendations apply to a broad range of activities such as:
1. Policies and procedures regarding contact with individuals affected by behavioral health crises or who are experiencing behavioral health crises;
 2. Protocols regarding suicidal and barricaded subjects;

- vii. Individuals' veteran status;
- viii. Injuries;
- ix. Use of force techniques used; and
- x. Disposition of the encounter.
- c. CIU shall prepare additional reports, as needed, by chain of command or MHRAC.
- d. MHRAC, the CIT Coordinators, and the CID Commander shall use the reports to assess the effectiveness of the CIT Program, including but not limited to:
 - i. Assessing overall staffing levels;
 - ii. Developing response strategies for repeat calls for service;
 - iii. Identifying systemic issues that impede the Department's ability to provide an appropriate response to an incident involving an individual experiencing a behavioral health crisis;
 - iv. Geographic and shift deployment of resources;
 - v. Training needs; and
 - vi. Evaluation of specific personnel or techniques.

6 1-37-9 **Crisis Intervention Incident Review**

- A. Each supervisor, regardless of rank, who is assigned to the CID shall be responsible for completing crisis intervention incident reviews each month.
 - 1. By the fifth (5th) of each month, the CID Commander shall ensure that a list of randomized, possible crisis interactions across the Department is forwarded, by email, to each CIU supervisor to complete a Crisis Intervention Incident Review Form of pre-determined calls for service, based on the random list sent by the CID Commander, before the end of the calendar month.
 - a. The CID Commander shall establish the number of call for service crisis intervention incident reviews required based on the workload and existing duties of each supervisor.
 - 2. Each review shall consist of:
 - a. An examination of the Computer-Aided Dispatch (CAD) entry to identify a behavioral health component;
 - b. A review of any documentation from the primary officer, including Uniform Incident Reports and CIT Contact Sheets, when available;
 - c. An audit of the primary or investigated officer's on-body recording device (OBRD) footage by focusing on any interactions between sworn personnel on-scene and the individual in crisis; and
 - d. A completed Crisis Intervention Call Review with appropriate referrals completed as listed in the section regarding referrals and internal affairs requests in the Crisis Intervention Call Review form.
