3. Copy of the letter(s) giving notice to the target;
 - ii. The Electronic Support Unit (ESU) shall contact the case agent for additional information as needed.
 - g. Review the Electronic Information received and determine what information is unrelated to the objective of the warrant or is not exculpatory to the target of the warrant; and
 - i. The case agent shall tag unrelated information into evidence as "sealed".
 - h. If an investigation requires review of information sealed into evidence, seek a subsequent warrant and include an updated affidavit with probable cause on why a review is needed.
 - i. If a review of information sealed into evidence is conducted, Department personnel shall repeat the notification and sealing processes.
 2. Department personnel shall not destroy or dispose of sealed Electronic Information without first obtaining a letter of declination from the District Attorney's Office indicating their approval.
- B. Notification to the Target of an Electronic Information Warrant
1. When a warrant for Electronic Information is executed and where an individual is identified, on the same day the warrant is executed or in the case of emergency involving danger of death or serious physical injury to a natural person, within seventy-two (72) hours after obtaining the Electronic Information, Department personnel shall:
 - a. Send a letter to all identified targets of the investigation using the Letter of Notification;
 - b. Include a copy of the signed warrant with affidavit or, in the case of an emergency involving danger of death or serious physical injury to a natural person, a written statement of the facts giving rise to the emergency; and
 - c. Write in a Uniform Incident Report when notice was sent and how it was sent (e.g., email, certified mail, etc.), including any documents showing proof of notice.
 2. When a warrant for Electronic Information is executed and where an individual is NOT identified, Department personnel shall do the following the same day the warrant is executed:
 - a. Send the following to ecparecords@nmag.gov and warrants@cabq.gov; and
 - i. The Letter of Notification shall be addressed to the Attorney General stating a warrant was issued for Electronic Information as part of an investigation or an emergency requiring immediate access. The Letter of Notification shall include a description of the Electronic Information, as well as a description of the investigation or emergency; and
 - ii. Copy of signed warrant with affidavit.
 - b. Write in a Uniform Incident Report when notice was sent including any documents showing proof of notice.
